Chris had advised us the year prior to selling our home. When we knew it was time to sell, we knew we trusted Chris. He let us know exactly what we needed to do to have a quick sale. He reassured us when we hit little bumps in the road during the sale process. Advised us not to give in to the first offer that wanted us to give too much. Promptly responded to all of our texts and calls. We are completely satisfied from start to finish and would return if we need and selling/purchasing services in the future.
