FAQ

Q: How long does airbrush makeup last?

A: All Day! No running! No messes! Waterproof! You may even wake up with it on the next day, if you didn't wash your face!

Q: What kind of makeup do you use?

A: A variety of brand name professional products. To name a few... Kett, Dinair, MAC, Urban Decay, LORAC, Mirabella, Smashbox, Morphe, Bare Minerals, Kryolan, Makeup Forever, and more.

Q: Do you come to us the day of the event?

A: Yes, we take pride in giving our clients the most convenience possible. Some prefer getting ready at home and others enjoy getting ready in a hotel room or even the event site.

Q: Can you do hair and/or makeup for our engagement photos?

A: Yes! Prices are the same as follows in the contract.

Q: Can you do hair and/or makeup for any photo shoot or boudoir session?

A: Yes! Prices are the same as follows in the contract.

Q: Does my hair need to be clean or dirty for a style?

A: Either way it is up to you. Just be sure it is dry when we arrive.

Q: Can I get a mani/pedi after I spray tan?

A: Yes, the next day after you have showered. Be sure to tell the technician you have a spray tan on so they do not exfoliate your legs.

Q: How long does spray tan last? Will it turn me orange?

A: Spray tan lasts typically 7-10 days. The color we use has violet and green hues, there isn't a red hue to pull any orange tones. So no it will not turn you orange.

Q: Can I wax?

A: Yes, If you wax be sure to do it at least 5 days prior to your event. This gives your skin a chance to resurface.
