- Central or zoned
- Hard-wired/permanently installed
- Minimum: 10 kW or whole-house
- Maximum: 20 kW per installation; higher kW requires cooperative approval.

For a complete list of heating and cooling, appliance, insulation, weatherization and lighting rebates, visit www.ilec.coop or call 800-225-4532.

3 WAYS TO SAVE WITH ELECTRIC HEAT

- 3.716-cent/kWh electric heat discount
- Rebates on heating and cooling equipment
- 30% residential federal geothermal tax credit available through 2019

Compare your savings with any other method of heating available and you'll see why electric heat is the choice for you! Compare fuel costs needed to compete with Iowa Lake's electric heat discount.

Geothermal Heat Pump	\$0.060	\$0.37	\$0.40
Air-Source Heat Pump	\$0.060	\$0.59	\$0.65
Electric Resistance	\$0.060	\$1.48	\$1.62

Receive a **3.716-cent/kWh** discount for the electricity used to heat your home, shop or business **during the months of October through April** using an energy-efficient heating system.

For more details, contact your Cooperative at 800-225-4532.
