

WIPCO Lobby & Shop to Remain Closed—In-person Admittance by Appointment Only

Friday, May 1, 2020

On March 17, Western Iowa Power Cooperative closed office and shop facilities to the general public so we could focus on safely maintaining a healthy workforce and continue to provide the service you expect while minimizing the possible spread of COVID-19.

After careful consideration, effective Monday, May 4, WIPCO's office and shop doors will remain closed to the general public. However, should you have business that cannot be accomplished by phone, e-mail, or through our website, please call 800-253-5189 to set up an appointment. If you have an appointment scheduled with WIPCO personnel at one of our offices, before entering, you will be required to wear a face mask as an additional protection for our employees. Appointments will be subject to approval; if the issue or question can be resolved or answered via means other than an in-person appointment, to comply with the recommendations for social distancing, those means will be utilized.

We are committed to our Members and are here to help! During this challenging time, we are just a phone call or email away. You can reach us by phone at 800-253-5189 or for non-emergent issues, please e-mail wipco@wipco.com.

Thank you for your understanding and support.

Jeff Bean

Executive Vice President & General Manager
