

## **Individual Subscriber and Hold Harmless Agreement**

This Subscription Agreement is made between Media Weather Innovations, LLC d.b.a. "WeatherCall™", (the "Company"), and you, the individual subscriber ("you" or the "Subscriber") and governs the terms and conditions of your Subscription to the emergency notification services (the "Services") offered by the Company. If you agree to be bound by the terms of this Agreement, please click the I AGREE button to register, and, if applicable, upon your payment of the Subscription Price (defined in paragraph 2 below), the Company will provide the Services to you as set forth in this Subscription Agreement.

1. Identification of the Services. The Subscriber acknowledges and agrees that you wish to enter into this Subscription Agreement for the purposes of receiving the Company's Services. The Services offered by the Company include notification at (up to) 3 telephone numbers and/or email addresses for the street address provided by the Subscriber regarding published National Weather Service tornado warnings applicable to the provided street address. Notification of severe thunderstorm and flash flood warnings are optional Services which the Subscriber may also elect to receive. In order to receive notification of severe thunderstorm and flash flood warnings, the Subscriber must specifically elect to participate in those Services on the Subscriber Registration page. Severe thunderstorm warnings can be delivered to both phone numbers and email addresses. Flash flood warnings can only be delivered via email or SMS text messaging to a cell phone. In order to set up this service, the Subscriber must contact your mobile service provider.

2. The Subscription Price. In consideration of your receipt of the Services, the Subscriber\* agrees to pay to the Company, in advance, the Subscription Price published on the Company's website for each one (1) year term during which you subscribe to the Company's Services. The Subscriber further agrees that payment of the Subscription Price shall be made, in valid US funds, via a credit card account for which the Subscriber is an authorized user. For Subscribers who are unable to pay the Subscription Price with a credit card, payment may be made via certified check or money order made payable to WeatherCall and mailed to: WeatherCall, P.O. Box 472, Parker, CO 80134. \*In some areas of the country, all or a portion of the Subscription Price may be underwritten by a local broadcast media outlet for Subscribers located within the media outlet's broadcast area. If your subscription qualifies for underwriting by any such media outlet, the Subscriber will only be required to pay that portion, if any, of the Subscription Price which is not underwritten by the media outlet.

3. Term of Subscription Agreement. The term of your Subscription shall begin upon completion of your registration and payment of the Subscription Price (the "Subscription Date") and shall end on the one-year anniversary of the Subscription Date unless the term is automatically renewed as provided in this Subscription Agreement. The Subscriber acknowledges and agrees that the Services shall be provided as soon as possible following registration and payment, upon the successful assignment by the Company of a latitude and longitude coordinate for the street address you provide in your registration.

4. Renewal of Subscription Agreement. The Subscriber agrees that, unless you notify the Company of your intent not to renew the Subscription Agreement at the end of any term in the manner specified in this paragraph, this Subscription Agreement will automatically renew for subsequent one-year terms. The Subscriber further agrees that payment of the Subscription Price then applicable for such new term will be automatically billed to the credit card number you have provided to the Company. The Subscription Agreement will NOT be renewed automatically for an additional term in any of the following circumstances: (i) the credit card number you have provided to the Company expires prior to the one-year anniversary of the Subscription Date; or (ii) the Company is otherwise unable to successfully process the payment of the Subscription Price through the credit card account on file; or (iii) within 30 days prior to the end of any term, the Subscriber notifies the Company, in writing, that you are terminating the Subscription Agreement at the end of the applicable term. If the Subscriber fails to notify the Company, in writing, that you wish to terminate the Subscription Agreement within the notification period specified above, the credit card you have provided to the Company will be charged the Subscription Price for a one-year renewal term at the Company's then-applicable prices, as posted on the Company's website. Provision of Services by the Company during any renewal term will be governed by the provisions contained in this Subscription Agreement, as it may be amended or supplemented from time to time and published on Company's website.

5. Termination of Subscription Agreement. The Subscriber acknowledges and agrees that the Subscriber may terminate the Subscription Agreement at any time, with or without cause; however, no portion of the Subscription Price will be refunded to you for any reason. Notice of termination of the Subscription Agreement by the Subscriber must be made in writing and delivered to the Company at its corporate headquarters as set forth on the Company's website. Upon its receipt and verification of any termination notice, the Company shall discontinue the Services to all phone numbers and email addresses registered by the Subscriber for the relevant street address associated with your account.

6. The Subscription Form. The Subscriber acknowledges that you have completed the Subscription Form in its entirety, including any questions concerning the television, radio or satellite broadcast station through which you learned of the Company's Services. The Subscriber further agrees that all information which you have provided to the Company is truthful and accurate.

10. Disclaimer of Responsibility and Damages. The Subscriber acknowledges and agrees that neither the Company nor the local media outlet through which it became aware of the Services (jointly, the "Providers"), shall be responsible for any acts or omissions of the Subscriber or for any failure of the Services by reason of strikes, Acts of God, breakdown of telecommunication service, power shortages or blackouts, or other causes beyond the reasonable control of the Providers. The Subscribers and Providers agree that the employees, directors, officers, agents, and subcontractors of Providers are not liable or responsible to the Subscribers or any third party for any errors or omissions in the information, or for any damages in a civil action for injuries, death of person or property damage incurred by any person or entity as a result of any act or omission of Providers or of any of their employees, directors, officers, agents, or subcontractors, except when such act or omission is willful, wanton, reckless, or intentional.
