## **Surrealist Photographer David LaChapelle Selling Subdued Pad**

For a man who dreams up such surreal photos, David LaChapelle's Chelsea apartment is surprisingly subdued. When the *Post* reported that the veteran photographer would be putting his parlor level apartment at 427 West 21st Street on the market for \$2.469 million, the announcement stirred all kinds of images of a home awash in LaChapelle's familiar green neon light. But nope. The listing, which went live today, shows a more standard, albeit lovely, one-bedroom apartment with a little porch and three fireplaces. LaChapelle has owned the apartment since 2011, when he bought it for \$1.74 million.
