

PRODUCT DESCRIPTIONS

PADS STANDARD BUNDLE

The critically-acclaimed original pads bundle that started it all. This wide range of sounds fits well with both small and large worship teams.

Subtle Sweet

New to Pads? Start here. Subtle Sweet is a minimal yet essential pad with lots of warmth & hints of texture. No reason to complicate it. Subtle Sweet is simple, and simple is beautiful. They'll fit your sound like a glove. Great with minor keys, too!

Warm to Bright Scale: 1/10

Subtle to Distinct Scale: 1/10

Warm Serene

Warm Serene is vibrant and full of life, yet mellow in the higher frequencies and gently melodic. These are great for any of your songs, and also for your other worship service elements. This is a perennial favorite.

Warm to Bright Scale: 3/10

Subtle to Distinct Scale: 3/10

Guitar Sky

Imagine your own professional guitarist with endless boutique effects in his rig to create a continuous lush, atmospheric sound. Wide-open with hints of melody that support any song. This will not muddy your mix - scout's honor.

Warm to Bright Scale: 5/10

Subtle to Distinct Scale: 5/10

Rich Sparkle

Rich Sparkle is distinct, vibrant, and full of movement. It creates lots of shimmer & ambience, but doesn't overpower your band. It'll add instant life to the start of any worship set. If you want a little something extra, this will help.

Warm to Bright Scale: 9/10

Subtle to Distinct Scale: 8/10

The Pads Standard Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

Orchestral Strings

Your very own string ensemble! Orchestral Strings adds a wonderful, emotional layer to your music. It's great for both big anthemic flavor and soft intimate atmosphere. A unique yet beautiful Pad Pack.

Warm to Bright Scale: 6/10

Subtle to Distinct Scale: 6/10

Organ Drone

Reverb-swells and a subtle shimmer make this iconic sound a mainstay of any worship set. There's no song that doesn't work well with this Pad - you'll keep coming back to this one. Great with minor keys, too!

Warm to Bright Scale: 8/10

Subtle to Distinct Scale: 2/10

Ambient Rhodes

We think every song sounds better with that classic Rhodes sound. So why not take one of the most beloved instruments of all time and create a beautiful, sweeping pad out of it? A signature sound for any of your songs.

Warm to Bright Scale: 7/10

Subtle to Distinct Scale: 4/10

Angel Anthem

What happens when you take a choir singing gorgeous long vowels and send them through a myriad of unique effects and reverbs? Angel Anthem. A recognizable choir sound, but with true Coresound Pad quality.

Warm to Bright Scale: 9/10

Subtle to Distinct Scale: 7/10

The Pads Standard Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

PADS ESSENTIALS BUNDLE

Eight of our most subtle pads to date, created with gorgeous, simple sounds and only the slightest melodic movements.

Bright Wave

This pad has a beautiful high-frequency shine, but it still manages to be very subtle and sits well in the background of just about any song. It almost feels “hopeful” in a way, if that’s possible! A new favorite in the making.

Warm to Bright Scale: 6/10

Subtle to Distinct Scale: 2/10

Cloud Rush

A very hollow and gorgeous high-frequency pad that sounds heavenly and brings an instant calm atmosphere to your sound. A lot of natural movement and oscillating makes sure this pad doesn’t feel boring.

Warm to Bright Scale: 7/10

Subtle to Distinct Scale: 1/10

Distant Hum

An amazing lower-frequency pad, plain and simple. This pad sets the tone with beautiful choral humming and then is topped off with warm analog synth layers to feel right at home with any song.

Warm to Bright Scale: 4/10

Subtle to Distinct Scale: 2/10

Tidal Glow

The movement in this subtle pad feels very similar to the tide coming in & out. The overall sound is simple and beautiful, but the shimmer reverb and other nuanced touches arrive at the perfect times, making this pad feel modern yet timeless.

Warm to Bright Scale: 3/10

Subtle to Distinct Scale: 4/10

The Pads Essentials Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

PADS ESSENTIALS BUNDLE

(CONT'D)

This is a great bundle for people new to pads to begin experimenting with how they work, and also great for seasoned veterans who know when they need something subtle but don't want to be limited to one or two subtle pads.

Organic Breath

“Wispy” is a good word used to describe Organic Breath. With a lot of higher-frequency openness, this pad adds a nice energy but does so in a very stripped-down way. It will be the perfect fit for many of your song choices.

Warm to Bright Scale: 9/10

Subtle to Distinct Scale: 2/10

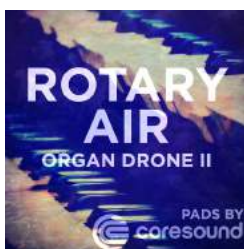

Gleaming

Gleaming is an airy but warmer pad designed to fit well around down-tempo songs or intimate moments. It moves very subtly and nicely, creating an atmospheric pad that doesn't overstay its welcome.

Warm to Bright Scale: 3/10

Subtle to Distinct Scale: 3/10

Rotary Air (Organ Drone II)

The 2nd edition of Organ Drone does not disappoint! Vintage organ layers are combined with a touch of air that puts the tone in a different light than you typically hear it. Very recognizable sound, but very new and fresh indeed.

Warm to Bright Scale: 6/10

Subtle to Distinct Scale: 2/10

Mellow Guitar

The root of our Guitar Sky pads are simple, beautiful layers of boutique guitar-work, yet Mellow Guitar strips away the melodic “ornaments” found in Guitar Sky. With gentle root swells and very subtle melodic work, Mellow Guitar is sure to please.

Warm to Bright Scale: 4/10

Subtle to Distinct Scale: 5/10

The Pads Essentials Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

PADS PRODUCER BUNDLE

An excellent complement to our first two Bundles. Eight top-tier pad voices to add to your collection!

Eternal Shimmer

This pad does the name “Shimmer” justice! If you want a simple pad with sparkling high-end that also complements your mix perfectly, look no further. Your secret weapon for a sweet, bright sound!

Warm to Bright Scale: 9/10
Subtle to Distinct Scale: 2/10

Layered Analog

Vintage gear lovers rejoice! Multiple layers of rare analog synths, blended perfectly. The warm analog sound with gentle overtones will fill your sound perfectly. You'll be surprised at how well this fits with a variety of moods!

Warm to Bright Scale: 4/10
Subtle to Distinct Scale: 3/10

Harmonic Feedback

This guitar-based pad brings a bold sound to your mix! Multiple single-note attacks, subtle swelling melodies, and lots of harmonic overtones add the finest ambient guitar sound to your songs.

Warm to Bright Scale: 7/10
Subtle to Distinct Scale: 6/10

Pianoscape

Imagine a piano played with a violin bow, suspended by endless reverb, spun in reverse, and shot into space. That, my friend, is Pianoscape. This endless piano-bed adds a familiar yet new flavor to your sound!

Warm to Bright Scale: 5/10
Subtle to Distinct Scale: 4/10

The Pads Producer Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

PADS PRODUCER BUNDLE

(CONT'D)

"If you don't have the Producer Bundle, your worship set is missing some AMAZING sounds and textures. Coresound's pads are the best out there, and they keep getting better!"
- Jon Nicol, WorshipTeamCoach.com

Gentle Horizon

A warm, gently-stirred pad with gorgeous atmospheric melodies floating around. When you want low and simple but with some delicate movement to enhance your sound, this is the go-to pad for you!

Warm to Bright Scale: 3/10
Subtle to Distinct Scale: 3/10

Stirring Strings

Beautiful, quickly-bowed strings with melodic layers dodging in and out adds a wonderfully cinematic feel to any song. The gravity in your sound this pad creates is second to none! In a word: beautiful.

Warm to Bright Scale: 8/10
Subtle to Distinct Scale: 3/10

Echo Canyon

The beauty in this pad is found in sending several sounds down the "echo canyon" - bouncing, swirling, and exiting at different times to create a very organic, reverb-filled melodic pad. It might surprise you how much you like it!

Warm to Bright Scale: 6/10
Subtle to Distinct Scale: 5/10

Brilliant Shine

Brilliant Shine has a beautiful high-frequency glimmer to it, but it refrains from becoming so intense it overpowers the rest of your sound. It adds the right amount of sparkle right when you need it.

Warm to Bright Scale: 7/10
Subtle to Distinct Scale: 4/10

The Pads Producer Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

PADS MINOR KEY BUNDLE

Four high-quality pad voices designed exclusively to be the perfect fit with with your minor-key songs.

Tense Texture

This minor-key pad adds haunting, floating melodies to an airy yet off-balance lower layer. This supports your minor-key song without overpowering it. The perfect way to add tension and emotion to your song.

Warm to Bright Scale: 5/10

Subtle to Distinct Scale: 6/10

Guitar Sky Minor Key

The same beautiful boutique guitar-work and lush, atmospheric sound have now made their way into a minor-key pad. Wide-open sound with hints of melody that support any minor-key song.

Warm to Bright Scale: 5/10

Subtle to Distinct Scale: 5/10

Deep Dark

The inaugural minor-key pad from Coresound do not disappoint! Big, brooding overtones add the perfect on-edge feel to any song in a minor key. Also works great with major keys (believe it or not!) to add that edgy feel.

Warm to Bright Scale: 2/10

Subtle to Distinct Scale: 2/10

Warm Serene Minor Key

The minor-key version of one of our most popular pads is a winner. Warm Serene Minor Key is just as vibrant and full of life, yet mellow in the higher frequencies, as the major-key version.

Warm to Bright Scale: 3/10

Subtle to Distinct Scale: 3/10

The Pads Minor Key Bundle is also available as a part of our Everything Bundle. Get every product in all our Pad and Flowchord Bundles at a big discount plus exclusive bonuses not found anywhere else!

PADS BOUTIQUE BUNDLE

Featuring four of the most unique sounds we've created, these boutique-level pads are an excellent choice when you want a great pad sound but want to use something a little different than normal. Enter the Boutique Bundle!

Sterling

This swirling melody of ambient electric guitars provides a unique backdrop for up-tempo songs with a distinct unique tone yet recognizable Coresound quality.

Warm to Bright Scale: 7/10

Subtle to Distinct Scale: 5/10

Chroma

Equal layers of string sections, electric guitar, analog synth, and vintage organ combine into a sonic wave of tone that sets the atmosphere for your song instantly!

Warm to Bright Scale: 8/10

Subtle to Distinct Scale: 4/10

Traces

Traces is like a floating dream. It's bright enough to sound light and airy, but muted enough to not get in the way of the rest of your sound. It's a breath of fresh air when you need it most.

Warm to Bright Scale: 8/10

Subtle to Distinct Scale: 2/10

Aerial (Guitar Sky II)

The second Guitar Sky installment finds itself with an even greater focus on ambient-melodic-atmosphere, rolling off the low end a bit and letting the melodic tones ring even longer. It's a nice sequel to the first!

Warm to Bright Scale: 6/10

Subtle to Distinct Scale: 4/10
