

PARENT AND LEADER GUIDE

Welcome to the BOLT Backyard Youth Summer Camp! With minimal preparation, easy to follow instructions, and a video that leads you and your kids step-by-step through each of the 3 days, BOLT is designed to bring all of the fun and faith-formation of YSC to the cozy confines of your home. It's so simple!

Video Access:

You can access the videos and resources on the Cornerstone Church Website: www.cornerstonehighland.com . Simply scroll down and click on "BOLT Youth Summer Camp".

Directions:

Step 1: Invite friends and neighbors. If guidelines permit and if you feel comfortable gathering with other people, invite friends, family, and neighbors to participate in BOLT with you. It's a terrific way to share the good news of Jesus with your community.

Step 2: Gather a few materials. During BOLT, kids will be playing games and doing origami. Everything has been designed to be performed with minimal materials—materials that you will most likely have around the house or can easily and inexpensively purchase at a local store.

Step 3: Press play. When you're ready, gather the kids around and press play on the Day 1 Video. Each video will lead you and the kids through the entire experience. Occasionally, the video will ask you to pause and do something. When you're finished doing it, press play again.

Step 4: Play the games. When the video prompts you to, press pause and lead the kids in playing the games. Each day has 3 games. One of the games each day is demonstrated in the video, the other two are not. You can read more about all of the games below. There's no rush to get through the games, so take your time and have fun. When you're finished, give the kids a snack, open a Bible and have someone read the verses indicated on the screen, then press play again.

Step 5: It's origami time. For the craft, kids will be doing origami. It's so simple, yet fun! The video will show them exactly what to do. Just have some square pieces of paper ready to go. You can buy colored, square origami paper online or just cut a piece of white paper into a square yourself.

Step 6: There is no step 6. That's it! It's that easy! Depending on your pace, each day should take about an hour and a half. BOLT takes place over the course of 3 days, so if you've invited friends and neighbors, invite them back for the next day.

Games:

There are 3 games for each day of BOLT YSC. Feel free to adapt the games to fit the number and age of kids who are participating. We have also included a list of alternative "no supply" games that you can use as an addition to or substitution for other games. Please note, though, that the first game listed on each day is demonstrated in the video and used as an illustration for the day's lesson. We therefore recommend that you play the first game listed for each day.

DAY 1 GAMES

Head, Shoulders, Cup

Supplies Needed: Plastic cups (1 for every 2 players)

Directions: Have people pair up with each other and kneel face to face. Place one plastic cup in-between each pair.

When you say “head,” everyone must touch their head. When you say “shoulders,” everyone must touch their shoulders. Quickly alternate between saying “head” and “shoulders” for about 10-15 seconds, then say “cup.” When you say “cup,” the first person to grab the cup wins the round. Play as many rounds as the kids would like. If you have enough players, you can have the winners play each other until there is only one champion. (This game is demonstrated in the Day 1 video.)

Stuck on You

Supplies Needed: Duct, scotch, or painters tape (1 roll)

Directions: Choose some children and wrap tape around their head with the sticky side FACING OUT. On “go,” have their teammates race to find items that can be stuck to their heads. If necessary, you might give them access to a junk drawer with numerous small items. At the end of the allotted time, the player with the most objects stuck to their head wins. Don’t forget to take pictures—you’ll want to remember this! If there aren’t enough players to make multiple teams, just give them a fun challenge like “let’s see how many items we can stick on in the allotted time.”

Egg (or Water Balloon) Toss

Supplies Needed: Egg or water balloon (1 per child)

Directions: Have people pair up with one another and stand face to face. Each pair should be standing the same distance from each other. Begin by having one person from each pair toss the egg or balloon to their partner. If the partner makes a successful catch, they both take one step back and continue. Younger children can take very small steps. If the egg or balloon is dropped, but not broken, they may continue. If the egg or balloon breaks, that team is out of the game. Continue playing until only one team remains. Play as many games as interest allows.

DAY 2 GAMES

Soaked

Supplies Needed: Bins or buckets (2 per team), sponge (1 per team), towels

Directions: Have everyone lie on their back side by side. Place a bin of water by the person on one end and an empty bin by the person on the other end. The object is to transfer all of the water from one bin to the other using a sponge. The person by the bin full of water must dunk the sponge, then pass it down the line to the last person, who will then squeeze the water into the empty bin before passing the sponge back and repeating. The players will get wet and they’ll love it! Thicker sponges work better than small kitchen sponges/scrubbing pads. You can also substitute the sponge with a t-shirt or hand towel. (This game is demonstrated in the Day 2 video.)

Wiggle Worms

Supplies Needed: Old blanket or bed sheet (2 or more)

Directions: Wrap 2 (or more) people separately in a blanket or bed sheet. Tuck the blanket or bed sheet in tight so it doesn’t come loose. Have the “wiggle worms” lay on the ground side-by-side, then establish a finish line. On “go,” the wiggle worms must wiggle their way toward the finish line like an inch worm. The person who crosses the line first wins. If you have enough players, you can play multiple rounds and have the winners compete until there is only one champion.

Cracker Stackers

Supplies Needed: Box of crackers (1-2)

Directions: Have one player from each team lie down on their back. Have the other players carefully stack crackers on their teammate’s forehead. The player on the ground will have to stay very still and try not to laugh. The team that can stack the most crackers without falling is the winner. If you don’t have enough players for multiple teams, simply challenge the kids to see how many crackers they can stack. Play multiple rounds and allow players to take turns lying on the ground.

DAY 3 GAMES

Fishy Face

Supplies Needed: Whipped topping (1-2 tubs), goldfish crackers (1 bag/box), bowls (1 per team), towels for cleanup

Directions: Choose some players to put whipped topping on their face like a beard. Place a bowl of goldfish crackers about 15 feet away from them. On “go,” have their teammates race back and forth, grabbing one goldfish cracker at a time and sticking it to their bearded partner. See which team can apply the most goldfish crackers in 1 minute. Work quickly before their beards have time to fall off! If there aren’t enough people for multiple teams, make it a simple challenge to see how many crackers can be applied in the allotted time. (This game is demonstrated in the Day 3 video.)

The Great Grape Race

Supplies Needed: Grapes (about 8 per player)

Directions: Have everyone take off their socks and shoes. Select 2 (or more) players to line up at the starting line and have them place one grape between their toes on each foot. On “go,” the players must carefully race to a turnaround point and back without losing their grapes. If they lose a grape, they can stop and put it back. The first player to return with all of their grapes wins. For each additional round, add another grape to each foot (i.e. 2 grapes per foot, then 3 grapes, etc.)

Q-Tip Cannons

Supplies Needed: Q-tips (1 box), straws (1 per person), paper or plastic cup (1 per team)

Directions: Give each player a straw. For each team, place a paper or plastic cup near the edge of a table. On “go,” each team must blow Q-tips out of their straw like a blow dart at their team’s cup from the other side of the table. The first team to knock their cup off the table wins the round. If necessary, you can move younger kids closer and older kids further back.
