The following items were addressed in the memo:

1.) Internal Revenue Service regulations and rulings relating to income tax exempt organizations.
2.) The By-laws of FOTZ.
3.) The history of the projects and activities funded by FOTZ.
4.) The provisions of City Code Section 102-304 directly relating to FOTZ.
5.) The mandates listed in the current contract between the City of Topeka and FOTZ.

Councilmember Alcala requested that the official opinion of FOTZ be submitted for the record. The opinion was presented as follows:

“FOTZ believes that providing funding for zoo building repairs and improvements would be contrary to its tax-exempt status, which they stated was limited to providing “educational” support to the zoo.”

Councilmember Alcala moved to approve the project budget and adopt the ordinance. The motion was seconded by Councilmember Preisner.

Brenden Long stated that in his opinion the expenditure could be challenged.
