RESOLUTION NO. 8967 introduced by City Manager Brent Trout, in accordance with Section 18.60.010 of the Topeka Municipal Code (TMC), approving a Conditional Use Permit to allow for a “Public Utility Facility, Type II (Sanitary Sewer Pump Station)” on property zoned “PUD” Planned Unit Development and located south of NW Williams Street and approximately 185 feet east of NW Tyler Street in the City of Topeka, Shawnee County, Kansas was presented. (CU17/02)

Brent Trout, City Manager, reported approval would allow construction of a new sanitary sewer pump station to replace the existing pump station.
Bill Fiander, Planning Department Director, stated the recommended conditions of approval related to site design, security fencing and limits on noise to ensure the pump station would be compatible with its surroundings. He stated the cost of constructing the new pump station has previously been budgeted for by the Utilities Department. He noted the existing pump station has not been the subject of reported complaints by residents or property owners.

Mayor De La Isla asked members of the Governing Body to declare ex parte communications and to indicate on the record that even in light of having engaged in the communication, they are able to fairly, objectively and impartially consider the measure based only upon the evidence provided on the record.

DISCUSSION on the Governing Body Rules and Procedures annual review was presented.

Lisa Robertson, City Attorney, reported staff has conducted its annual review of the Governing Body Rules and Procedures. She highlighted recommended changes to the following Rules:

- 2.7 - Duties of the City Clerk Relative to the Governing Body
- 3.1 – Governing Body Meetings
- 3.2 – Special Meetings of the Governing Body
- 5.1 – Preparation and Circulation
- 5.3 – Agenda Contents
- 6.2(c) – Motion to Strike
- 6.2(g) - To Reconsider and Motion/Item
- 8.5(b), (c) and (d) – Procedure for Committee Items
Councilmember Clear spoke in opposition of the deadline (90 calendar days) for items referred to a committee as proposed in Rule 8.5. She suggested the amount of days be reduced to 60 calendar days which she believes provides sufficient amount of time to conduct business.

Councilmember Hiller spoke in support of the 90 day timeframe for items referred to a committee. She stated she believes 90 calendar days was a reasonable amount of time for a committee to schedule and review items. She suggested the following amendments:

- Rule 3.2(e) - delete the following strikethrough language: The governing body may work in conjunction with staff to develop procedures to address particular issues during special meetings called for the purpose of discussing the annual budget, (i.e., how budget amendments will be handled).
- Rule 5.1 – add language that would ensure all attachments are included on preliminary agendas as well as committee reports.

Councilmember Emerson stated he concurs with Councilmember Hiller and spoke in support of all documents being attached to preliminary agenda items.

Councilmember Clear requested amending Rule 8.5 to reflect 60 calendar days which allow sufficient time for a committee to report and resolve items.

Councilmember Ortiz spoke in support of allowing 90 calendar days to consider items in committee for the purpose of processing and discussing items thoroughly.
