6:30-8:00 PM
Peggy Oster, Information Specialist with Jayhawk Area Agency on Aging will be our special guest.

Jayhawk Area Aging can help you get access to services available to Kansas Seniors. There are options and solutions that meet your special needs to help you maintain independents so it is possible for you to stay in your home. Information and assistances provide seniors and caregivers with information about available community resources and/or referrals to particular service programs or agencies. Their information department can help you navigate through the maze of services available to you.
