When Jesus was with us on earth long ago,  
He suffered and died in our place.  
The story is sad but important because  
It speaks to the whole human race.

It happened according to God's holy plan;  
It was no mistake, not at all.  
Beginning one night when He knelt down to pray,  
Obeying, He followed God's call.

He said, "Oh, My Father, We're one, it is true.  
Please help My disciples to know  
That they should be one even after I die.  
Now, Father, I'm ready to go."
