

# The Fruit of the Spirit

**Galatians 5:22–23 for Children**

An apple seed stuck in the ground  
Will grow in branch and root  
And soon, between its leaves of green,  
The tree will give you fruit.

When your Lord Jesus baptized you,  
His Word was sown like seed.  
This seed will root and up will shoot  
Good works of word and deed.

The way you get along with friends  
Is not your greatest PEACE:  
True PEACE within came when your sin  
By Jesus was released!

God's gift of SELF-CONTROL gives strength  
For you to face each day.  
It holds your tongue when wrong is done  
Or you don't get your way.
