Two people lived beside the sea  
Near Sidon, long ago—  
A mother and her little girl  
Who loved each other so.

The little girl was very sick,  
Under the devil's power.  
Her mother prayed and watched and wept  
And worried every hour.

And then she heard: "Jesus is here!  
The Teacher, Healer, Friend:  
He has the power to heal your child,  
And she'll be well again."

She followed Him; "Please help us, Lord!"  
Jesus still kept walking.  
But then the twelve disciples came;  
Will they do the talking?

But no, she saw their eyes were cold;  
They wouldn't help or serve.  
They said to Jesus, "Send her off!"  
She's getting on our nerves."
