The Gospel shows the Father's grace,
Who sent His Son to save our race,
Proclaims how Jesus lived and died
That we might thus be justified.

How does the Gospel help us through life issues?

Sometimes sin creates life issues like death, broken families, and broken friendships. Through the Gospel, we are forgiven and set free from our sin because God sent His own Son to die on the cross. When we have family or friends struggling with life issues, we pray for them and share the Gospel with them. The Gospel is for all people no matter their struggle or life issue; Christ came for them and for you!

Let's talk about the

GOSPEL

The Gospel shows us what God has done for our salvation. Through the Gospel, we are brought to belief in our Savior Jesus, and we receive God's abundant love and grace. We are called to share the Gospel with all people.
