How does LOVE connect to Life Issues?

God is LOVE, and His love is made known in Christ who takes on human flesh, is born in a lowly manger, lives a perfect life, and dies in our place so that we might live forever. Because God loves us, we are able to love others. God works through us to share love with the world. We practice acts of mercy, loving and serving people who are hurting or in need, and we point others to the source of true LOVE - Christ Himself.

In one the hearts of all

Bid Thou our sad
divisions cease,
And be Thyself our King
of Peace.
