TALK RADIO WITH A PURPOSE

You will seek Me and find Me when you search for Me with all your heart. Jeremiah 29:13

Dear Christina,

Thank you for writing us at Christian Questions Radio. You wanted to know if you were wrong to NOT freely give to your neighbors who have chosen to be poor stewards of their lives. You told us they do drugs, drink and drive, and do not work.

There are many scriptures that tell us to freely give to the needy. However, the people you describe are not in need. They are in want! The meaning behind the scriptural direction to give to the needy is to give to those who CANNOT provide for themselves. You describe individuals who have chosen a path to not do for themselves. Therefore, they are not needy, but full of wants. Focus your giving on those with true needs!

We hope we have answered your question. Be sure to sign up for CQ Rewind at www.christianquestions.com. The service is free without obligation and will provide you with scriptural perspective on many questions and topics.

Sincerely,

Christian Questions Radio
