

Dear (name of business, faith-based organization, or school),

Sib Sacks lift the heart of **siblings** of seriously ill children, who often feel forgotten, confused and anxious about their ill sibling and the challenges facing their family.

Please consider donating to help Allie's Helping Hands make and distribute Sib Sacks.

A Sib Sack is a 17X13" backpack filled with new, thoughtful, small gifts just for sibs! Each Sib Sack contains items to keep siblings warm and occupied while spending time at the hospital while their brother or sister receives chemotherapy or other medical treatment.

The Sib Sacks will be given to siblings at (name your local hospital). Your generous gift will help Allie's Helping Hands let siblings know they are not forgotten, and that they are a very important part of the care team.

Each Sib Sack costs approximately \$50. Please indicate your donation level below.

\$5,000 100 Sib Sacks

\$2,500 50 Sib Sacks

\$1,250 25 Sib Sacks
