05 Customer say about us

Momma's shop

The support/developers of this app are very professional, honest, and conversational. Their app works without bugs or doesn't give your store any negative effects and this app is very easy to set up. A must-try for all merchants who are looking into growing their AOV and providing a great customer experience while shopping in your stores.

EMF Boutique

Superb app, really helps boost sales with promotional campaigns. The user experience for customers is really fluid and incentivises the customer to buy more with instant pop ups. The Team is super friendly and helpful. They Solve your issues in a jiffy. I'm looking forward to more features from the plugin.

Combo Market

Great App! It works exactly what it promises. BOGO is really a professional team not only support and fix all of our setting but also have a very quick customer service full of patience. BOGO is the APP that I recommend.

CK Swagworks

An unexpected gem of an app, and the customer service is wonderful! I highly recommend this app to anyone in need of a basic on-click BOGO app.
