Acceptance of Trade Mark Application for Publication

Thank you for your response of 21 April 2023.

As requested, the details of your application will now be published in our online Trade Marks Journal for opposition purposes. As soon as your trade mark is published, we will send you confirmation of the publication details.

I would remind you that I am obliged to notify the owners of the earlier trade marks listed in the examination report.

If someone gives notice that they are considering an opposition, this period will be extended to 3 months. If we receive any opposition, or the opposition period is extended, we will write to tell you.

If nobody opposes the mark, we will register it 2 weeks after the opposition period ends and send you the registration certificate by email.
