

ALTO Exchange

Keep track of your project costs with electronic invoicing. Leverage dynamic discounting. Allow suppliers to manage invoice disputes, convert POs to invoices. And the best part – it's free for suppliers.

Reduce invoice processing costs.

Improve accuracy and working capital management.

Take advantage of discounts and improve supplier relationships.

Invoice compliance & Convert POs to invoices

Implement front end validation rules that fit your company's needs. Garbage in, garbage out. Receive only correct and valid information from your suppliers.

With just one click, your suppliers can receive and convert approved purchase orders to invoices.

Track invoices on demand

With just one click, your suppliers can receive and convert approved purchase orders to invoices.
