Main Functions

Scan & Store

- ✓ Integrated fast scanning features create smart import options for users to tag, organize and sort documents and images before, during or after they enter the system
- ✓ Affordable and unlimited cloud storage reduces demands for physical storage space and ensures records are kept safely for as long as you need them

Organize & Sort

- ✓ Define unlimited tabs to associate files with and attach endless tags to files such as keywords, comments, star ratings, dates, times, players, issues, invoices, insurance forms, resumes, and more
- ✓ Powerful OCR, sort and filter functions allow users to apply inclusive or exclusive filter sets to retrieve specific files or avoid them when necessary
- ✓ Search PDFs and save filter sets to quickly and accurately sort specific files or file groups with one click, when it matters most

Review & Tag

- ✓ Review multiple documents or images side-by-side
- ✓ Tag multiple files at the same time
- ✓ Attach relevancy to electronic file groups in less than half the time and build intelligent document catalogs

Share & Collaborate

- ✓ Collaborate and share files of unlimited images and documents with unlimited number of users through the Experdocs Web Application, including large project files like blue prints or x-rays, in real-time, across towns, on the phone, or while you're waiting for lunch
- ✓ Primary Users define rules for accessing files for all others
- ✓ Set up customized tiered permission structures appropriate for each level of users who you might want to review, edit, print, or delete particular files
- ✓ Know who is working on what files and when with admin entry logs

Present & Report

- ✓ Reply instantly and precisely to requests for information from courts, outside support staff, internal colleagues or clients
- ✓ Avoid embarrassing experiences of losing or misplacing key files when it counts- like in presentations, deposition, mediation or trial
- ✓ Easy option to instantly attach bates numbering to your files to create a case file ready for deposit
