- ▶ Training Cloud brings powerful reporting, analytics and an easy to use web-based interface which makes it available from work, at home or on the go.
- ▶ By having all the components you need to successfully run your education and training program included within a simple to use system you will be up and running in no time.

Online Training / Learning System

VAIRKKO Online Training solution is great for business of all sizes. Easily distribute learning content to all of your workforce in an efficient and accountable manner. Create online training courses for new equipment, updated corporate policies, new-hire orientations, yearly competencies and much more.

Features Overview

- ▶ **UNLIMITED COURSES & TESTS:** Create and publish an unlimited number of online courses and tests.
- ▶ **UNLIMITED COURSE CONTENT:** Upload an unlimited number of course / test files such as movies, PowerPoint, PDF, images, audio clips and much more.
- ▶ **PREREQUISITES:** Configure course prerequisites which prevents staff from taking courses out of order.
- ▶ **ADVANCED PUBLISHING OPTIONS:** Publish trainings to all staff, groups of staff or even just a single person.
- ▶ **RANDOMIZATION:** Easily configure tests to randomize questions and answers for your students.
- ▶ **TIME LIMITS:** Set time limits on the entire course to ensure staff complete the course within a time period you specify.
- ▶ **MAX ATTEMPTS:** Allow staff to attempt your courses a set number of times prior to locking them out of the course.
- ▶ **NOTIFICATIONS:** Configure notification options to occur when staff successfully complete one of your courses.
- ▶ **CERTIFICATES:** Upload your own certificate and allow staff to download a personalized copy upon successfully completing your courses.

Features Overview

- ▶ **QUESTION BANKS:** Create an unlimited number of preconfigured question banks by topic.
- ▶ **IMPORT:** Easily import all of your course questions and answers from many popular formats such as Excel.
- ▶ **COPY/CLONE:** Copying courses has never been easier. A single click of the mouse and your course along with all questions and materials are cloned.

Classroom Training Tracking

VAIRKKO Classroom Training allows your agency to create classroom training sessions and allow staff to register for those sessions. Educators can easily print rosters/sign-in sheets as well as class certificates for each student quickly and easily.

Features Overview

- ▶ **UNLIMITED COURSES:** Create and publish an unlimited number of courses.
- ▶ **COPY STUDENTS:** Easily copy students from one class session to another.
- ▶ **CLASS ROSTERS:** Print and download your class rosters with a click of the mouse.
- ▶ **CERTIFICATES:** Print and download certificates for all students within a class quickly and easily.
- ▶ **EMAIL INTEGRATION:** Send emails to your registered students without leaving the class.
- ▶ **TOPICS:** Create course topics to track discussions during the classroom session.
- ▶ **STUDENT LOOKUP:** Easily lookup student training records including CEU/PDU's, courses, dates and times.
- ▶ **SELF SERVICE:** Allow staff to upload their own trainings into the system and allow management to review and approve the training.
- ▶ **REPORTING:** Powerful reports allow you to dig into your data such as CEU/PDU totals for the year, educator hours and much more.

Skills Testing

VAIRKKO Skills Testing is great for evaluating your employee's practical skill level for any task/scenario. Create skills tests for newly deployed equipment within your organization, scenario based skills testing or even a comprehensive skills test which evaluates your staff on many different aspects of their job roles and responsibilities.

Features Overview

- ▶ **UNLIMITED SKILLS TESTS:** Create and publish an unlimited number of skills tests to your staff.
- ▶ **FLEXIBLE:** Create skills tests for equipment, scenario based skills or even just performance on a specific task/job.
- ▶ **SCORING:** Every skills test is given a numeric grade which allows for trending and benchmarking your staff and organization over time.
- ▶ **STAFF FEEDBACK:** Should your staff miss a skill you can force them to respond with feedback to the missed item.
- ▶ **100% MOBILE:** Perform skills tests while in the office or out in the field from any smart phone or tablet.
- ▶ **REPORTING:** Dynamic reports allow complete transparency into your data to make smart data-driven decisions to enhance your training program.

Quality Assurance

VAIRKKO Quality Assurance is a powerful score-based quality assurance system. Create QA criteria/questions, possible outcomes and even classify by type when QA criteria is missed by your staff members. Easily require feedback on missed items and set feedback response timelines to ensure all QA records are processed in a timely manner.

Features Overview

- ▶ **UNLIMITED QA PROFILES:** Create QA profiles for your ALS, BLS, Specific Job Roles and more.
- ▶ **FLEXIBLE:** Custom Review Criteria and Responses.
- ▶ **SCORING:** Every QA Profile is given a numeric grade which allows for trending and benchmarking your staff and organization over time.
- ▶ **STAFF FEEDBACK:** Should your staff miss a reviewable criteria you can force them to respond with feedback to the missed item.
- ▶ **100% MOBILE:** Perform skills tests while in the office or out in the field from any smart phone or tablet.
- ▶ **REPORTING:** Dynamic reports allow complete transparency into your data to make smart data-driven decisions to enhance your training program.
- ▶ **BENCHMARKING:** Since every QA record will be graded with a numerical score your organization can trend and benchmark your staff's progress over time.
- ▶ **CATEGORIZE EXCEPTIONS:** Knowing what went wrong is great; but knowing why it went wrong is better. Categorize every missed QA criteria with an exception type to gain powerful insights.
- ▶ **NOTIFICATIONS:** Receive insightful notifications on new feedback, new QA records awaiting processing or even notifications when you're assigned to specific exceptions selected within the record.

Benefits At-A-Glance

- ▶ **BUNDLED PLATFORM:** Get all the education, training products and features you need in a single fully integrated web-based solution with Training Cloud.
- ▶ **LOWERS COSTS:** Stop paying multiple vendors and start lowering your costs. Our products are more affordable and packed with features you need and want.
- ▶ **EFFICIENT:** Create an efficient training program for your organization quickly and efficiently with all the features bundled into Training Cloud.
- ▶ **FEATURE RICH:** Gain access to all the features packed into Training Cloud such as Online Training, Skills Testing, Classroom Training and Quality Assurance solutions.
- ▶ **INTEGRATION:** Training Cloud is fully integrated into many of our other cloud products delivering a complete workforce management solution.
- ▶ **CONVENIENT:** Training Cloud is beautifully designed, smart, efficient and mobile friendly. Making it convenient to use when at work, at home or on the go.
