dec = decrease (sc2tog)
sc2tog = single crochet two stitches together

sl st = slip stitch
sc = single crochet
double dec = single crochet three stitches together
hdc = half double crochet

(xx) – count of stitches in this row/round

Finished size

Approx. 18 x 22 cm (7.1 x 8.7 inches) using the materials mentioned.

*Happy
crocheting!*

Materials and Tools

You will need:

- ✓ Yarn - Sport / 5 ply (12 wpi) (225-250m per 100 g)
4 g of white, 4 g of dark pink, 6 g of light pink, 6 g of bright pink, 10 g of black, 20 g of medium pink, a small amount of peach (enough to embroider the nose)
- ✓ Hook – 2 mm (US Steel hook - 4, UK – 2 1/2).
- ✓ Eyes (I used 10x14 mm)
- ✓ Sewing needle

Yarn you may use

Cotton yarn 'Landysh' (Troitskaya worsted factory) – 50 g/115 m, Sport / 5 ply (12 wpi)	Cotton yarn CHARM (Vita Cotton) – 50 g/115 m, Sport / 5 ply (12 wpi)	Cotton yarn RENE (Alpina). 50 g/105 m, Sport / 5 ply (12 wpi)

Tip (gauge)

When making potholders, you should use a much smaller hook than recommended for the yarn you choose.

Tip (stitches)

If you are a beginner crocheter you can see “Appendix” at the end of the pattern for reference how to crochet a particular stitch.

Tip (abbreviations)

If there is a record in the brackets in the pattern, multiplied by some number, for example (3 sc, 1 inc) x 3, it means you need to repeat this action 3 times, that is 3 sc, 1 inc, 3 sc, 1 inc, 3 sc, 1 inc.

Tip (make it right)

If there are no special notes, the potholder is crocheted under both loops. In some rows, there are special notes: ‘into the front loop only’ or ‘into the back loop only’. In this case, you need to follow those instructions.

USA/UK terminology comparison chart.

How to read this pattern

If you see **Row 2:** 6 inc (12 sts), ch 1, turn

Read it like this:

In second Row work 2 single crochet in next st, repeat this instruction 6 times, make sure you have crocheted 12 stitches in this row, chain 1 and turn your work.

If you see **Rnd 2:** 6 inc [12 sts], sl st, ch 1

Read it like this:

In second round work 2 single crochet in next st, repeat this instruction 6 times, make sure you have crocheted 12 stitches in this round, 1 slip stitch in first stitch of this round to join and chain 1.

(8 sts) – number in brackets is the count of stitches in a row/round.

Note: ch 1 at the end of a row/round is not counted as a stitch for the final count of stitches in a row.

When you see ch 1, ch 2 or ch 3, etc., at the end of the row, start the next row beginning from 2nd st from the hook. It is made to increase the number of sts.

Tip: The potholder is crocheted using different colors so you may want to make all balls of yarn before starting your work. You will need two balls of

medium pink, three balls of black, two balls of light pink.

If you know “tapestry style crochet” you can crochet using it instead of working with multiple skeins of yarn.

Decorative elements

Appendix 2

STITCHES USED IN THE PATTERN

Slip knot

Loop the yarn around your left index finger.

Slip the yarn from your finger, and hold the loop between your thumb and index finger.

Use the crochet hook, held in your right hand, to draw the loop up and around the hook.

Chain

Start with slip knot, yarn over, pull the strand of yarn through the loop on your hook – you've got one chain.

Continue to repeat the process to create more chains.

Slip Stitch

Insert the hook in the next chain, yarn over and pull the strand of yarn through the chain and the loop on the hook.

Single Crochet

Insert the hook in the chain, yarn over, pull the strand of yarn through the chain, yarn over again and pull the strand of yarn through both loops on the hook. Starting from round 2 insert the hook in the stitch of previous round.

Decrease

In the place where you need decrease pull up a loop in next 2 stitches of previous round, yarn over, pull the strand of yarn through all 3 loops on the hook, counts as one single crochet.

Increase

In the beginning (end or medium) of the row make 2 single crochets in 1 stitch of previous round.

Half double crochet (hdc)

Yarn over, insert the hook in the chain or in the stitch of previous round and pull the yarn through. Yarn over again and gently pull the wrapped hook through the center of all 3 loops on your hook.

Double crochet (dc)

Yarn over, insert the hook in the chain or in the stitch of previous round and pull the yarn through.

Yarn over again and gently pull the wrapped hook through the center of the first 2 loops on your hook, yarn over again and draw your yarn through the last 2 loops on the hook.

Fasten Off Yarn

When you get to the end of your crochet design and you'll need to fasten off the yarn. Fastening off crochet is a fancy way to say "cut the yarn and secure it."

1. Cut the yarn about 15 cm (6 inches) from the hook then using your hook, draw the cut end of the yarn through the last remaining loop on your hook.

2. Pull gently on the tail of yarn to snug up the end.

This action keeps your work from coming apart without having to make large unsightly knots.

Weaving in ends

When the work is completed it is necessary to weave in all ends.

1. Thread one end through a tapestry needle
2. Weave the 15 cm (6 inches) tail of yarn up and down through 3 or 4 stitches — kind of in a zigzag pattern (try not to split the yarn of the stitches).
3. To make the end really secure go back the way you came, weaving the end backwards through those same few stitches.
4. Cut the yarn about 0.5 cm (1/4 inch) from the fabric and gently pull the fabric. The end magically disappears, and your work is secure.

Crab stitch (Reverse Single Crochet Stitch)

Crab stitch is the most popular way to finish the edge. For this stitch single crochets are worked not from right to left as usual but from left to right.

1. Finish crocheting and with the loop on the hook do not turn, insert the hook in

next stitch to the right moving the hook away from you as the arrow shows.

Yarn over, draw yarn through stitch as the arrow shows.

1. Yarn over, draw yarn through two loops on the hook as the arrow shows.

2. 1 crab stitch is made, the loop is on the hook.

3. Repeat step 2.

4. Continue till the end of the edge.

Double decreasing

Step 1: Pull up loops from next 3 stitches of the row.

Step 2: Yarn over, pull the strand of yarn through 2 loops on the hook. You should end up with three loops on the hook.

Step 3: Yarn over again and pull the strand of yarn through 3 loops on the hook.

We get 1 sc out of three stitches.

Surface Slip Stitch (SSS)

Step 1: Hold the yarn on the wrong side of the work; insert hook through the stitches; yarn over and pull yarn to the right side.

Step 2: insert hook through the stitches again few mm from the previous stitch, yarn over on the back side and pull yarn through the fabric to the right side and then through the loop on the hook.

Repeat step 2 as many times as needed.

You can always watch video on youtube.com. Search for “How to Crochet: Surface Crochet”.

Changing colors

When you change colors, the last sc of one color has to be finished with the thread of the other color.

Put free thread along the edge of the last row to hide the end so it is crocheted inside the fabric. The fabric will be double-sided – it will look

almost the same at the right side and at the back side.

Make sure that the thread inside the fabric does not tighten it.
