Crochet Pattern

By Svetlana Pertseva

Skill level: Intermediate

Proshka the Bear

About this pattern

The toy is crocheted in continuous spirals without joining the rounds. You will need a stitch marker to keep track of where the beginning of each round starts. Move the marker up to the first stitch of the next round after finishing the previous one.
If you don't have a stitch marker you can always use a scrap of contrasting yarn instead. You can see it in my photos.

I use USA terminology for my pattern (don't worry if you use UK terms, all the differences are explained in the pattern).

Finished size

Approx. 13 cm/5.1 inches tall using the materials stated in the pattern.

Happy crocheting!

Materials and tools

- ✓ Main yarn – I used approximately 25 g of yarn (65% vicose, 33% polyamide, 5% spandex) that has 375 m in a 25 g skein.

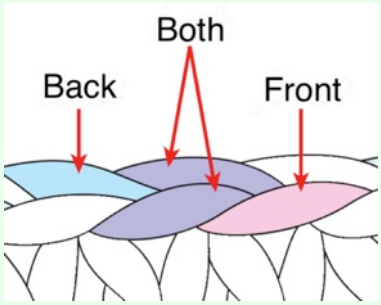

Tip: *You can use any moderately fluffy yarn (wool, acrylic, etc). The thicker the yarn, the bigger your toy will be. See the Gauge section. If you need exactly the same yarn visit this shop https://www.etsy.com/shop/LittleOwlsHutRUSSIAN*

- ✓ Matching crochet hook. I used 1.0 mm crochet hook.
- ✓ Black embroidery thread to embroider the nose.
- ✓ Two black beads or safety eyes – I used 2 mm in diameter.
- ✓ Transparent glue, stuffing
- ✓ For cotter pin joints:
  - For the head: 2 discs – I used 12 mm in diameter, 2 washers – I used 7 mm in diameter, 1 cotter pin – I used 15 mm long;
  - For the limbs (optional): 8 discs – I used 5 mm in diameter, 8 washers – I used 4 mm in diameter, 4 cotter pins – I used 10 mm long.
- ✓ Pliers
- ✓ Any material to add weight to the bottom of the toy (optional)
- ✓ Strong thread for needle sculpting

Any questions or comments: info@LittleOwlsHut.com

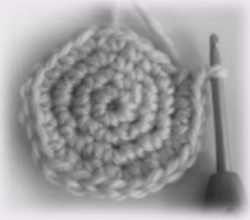

Tip (make it right)

If there are no special notes, the toy is crocheted under both parts of the loop. In some rows, there are special notes: 'into the front loop only' or 'into the back loop only'. In that case, you need to follow these instructions.

Tip (make it right)

When making toys the right side looks like this:

And the backside looks like this:

Abbreviations

ch(s) = chain(s)
st(s) = stitch(es)
sl st = slip stitch
sc(s) = single crochet(s)
inc(s) = increasing(s) (2 sc in 1 st)
dec(s) = decreasing(s) (sc2tog)
Rnd = round
dc = double crochet

If there is a record in the brackets in the pattern, multiplied by some number, for example (3 sc, 1 inc) x 3, it means you need to repeat this action 3 times, that is 3 sc, 1 inc, 3 sc, 1 inc, 3 sc, 1 inc.

TIP (yarn)

If you use different yarn, the toy will be bigger or smaller and you will need more or less yarn and wire than stated in the pattern (i.e. thicker yarn will produce a larger toy and you may require more yarn).

Tip (gauge)

When making toys, you should use a much smaller hook than recommended for the yarn you choose.
Make sure you crochet tight enough; otherwise, the stuffing will show through the holes.

USA/UK terminology comparison chart.

Abbreviations USA	Abbreviations UK
ch - chain	ch - chain
sc - single crochet	dc - double crochet
hdc - half double crochet	htr - half treble
dc - double crochet	tr - treble
tr - treble (triple crochet)	dtr - double treble
dtr - double treble	tr tr - triple treble
sl st - slip stitch	sl - slip stitch

Other differences in crochet terminology used:

Terminology USA	Terminology UK
fasten off	cast off
skip	miss
gauge	tension
yarn over (yo)	yarn over hook (yoh)

Skill levels

Projects for first-time crocheters using basic stitches. Minimal shaping.

Projects using yarn with basic stitches, repetitive stitch patterns, simple color changes, and simple shaping and finishing.

Projects using a variety of techniques, such as basic lace patterns or color patterns, mid-level shaping and finishing.

Projects with intricate stitch patterns, techniques and dimension, such as non-repeating patterns, multi-color techniques, fine threads, small hooks, detailed shaping and refined finishing.

Tip (shift stitch)

While working, you will need to keep the work symmetrical. As the work tends to twist to the right you need to adjust the position of the marker periodically (beginning of round). If you notice that the marker moves right, you need to work one extra stitch (or more) at the end of the round and move the marker for one stitch (now the 2nd st of the round becomes 1st). If you notice that the marker moves left, you need to unravel one stitch (or more if needed). This is a shift stitch – it is not included in the description of the rounds.

Usually you have to do shift stitches every 3-5 rounds (depending on the yarn, hook and your gauge). To check if it is time to work shift stitch(es), fold your work in half and check if the marker still goes straight.

You should keep the marker in a straight line on some parts of the toy. Instructions for the marker are given in the description of each part of the toy if needed.

Gauge (if you want the toy to be the size mentioned in the pattern)

Crochet a swatch using your yarn and matching crochet hook to make sure that you have chosen the right yarn and hook for the toy 13 cm/5.1 inches tall.

Instruction for the swatch:

Rnd 1: 6 sc in a magic ring

Rnd 2: 6 inc = 12 sts

Rnd 3: (1 sc, 1 inc) x 6 = 18 sts

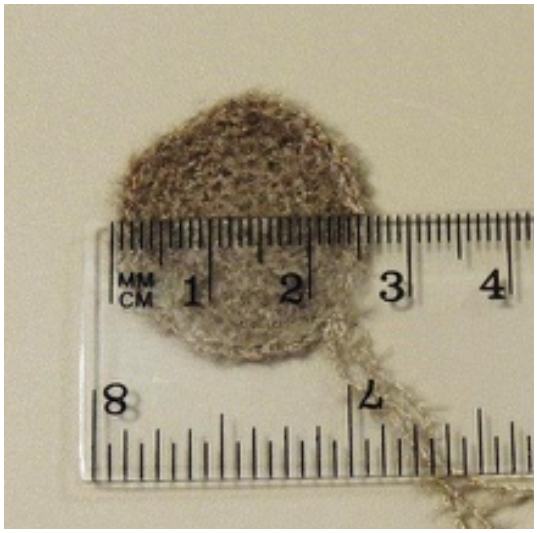

Rnd 4: (2 sc, 1 inc) x 6 = 24 sts

Rnd 5: (3 sc, 1 inc) x 6 = 30 sts

Rnd 6: (4 sc, 1 inc) x 6 = 36 sts

Rnd 7: (5 sc, 1 inc) x 6 = 42 sts

Compare your swatch with the swatch in the next picture. They should be the same size. If not, take a bigger or smaller hook than you used before (depending on the result) and work another swatch. If it does not help – choose different yarn and make another swatch.

Need help?

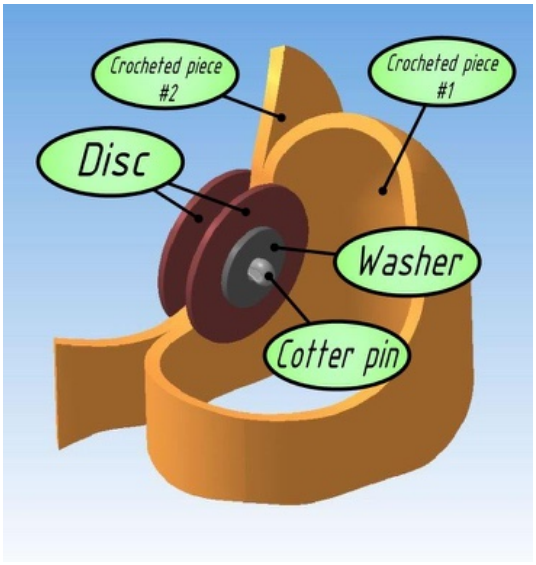

If you need any help with this pattern you are welcome to ask questions in our Ravelry group.

Ladies who already made this toy would be able to help you with this project.

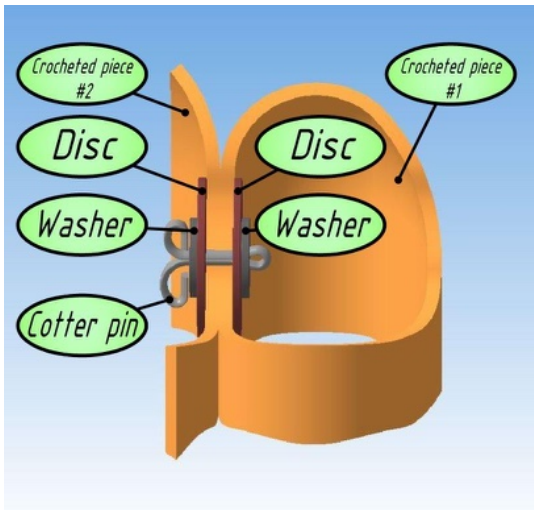

Cotter pin joints

Put a washer and a disc onto a cotter pin. The diameter of the disc should be slightly less than the half of the width of the piece.

You will mark the points for inserting cotter pins with additional marker. When you reach such instructions, mark the point and work several more rounds (5-10). Then do as follows:

For the limbs: Insert the prepared cotter pin into the piece from the inside to the outside with the disc and the washer being inside the piece and the tips of the cotter poking out.

For the body: Insert the tips of the cotter pin into the marked point from the outside to the inside. Put on a disc and a washer. Curl the legs of the cotter pin with pliers to tighten the joint.

There are two variants for attaching the arms and legs: crocheting them in and using cotter pin joints.

Therefore, you will notice two types of instructions for both variants.

The head is attached using the cotter pin joint only.

Arm (make 2)

The round marker goes along the outer side of the arm. Keep it straight with shift sts if needed. Stuff firmly as you go but do not overstuff.

Rnd 1: 6 sc in magic ring = 6 sts

Rnd 2: 6 inc = 12 sts

Rnd 3: (1 sc, 1 inc) x 6 = 18 sts

Rnd 4: 17 sc, 1 inc = 19 sts

Rnds 5-9: 1 sc in each st around = 19 sts

Rnds 10-15: 1 dec, 8 sc, 1 inc, 8 sc = 19 sts

Rnd 16: 1 dec, 7 sc, 1 inc, 7 sc, 1 dec = 18 sts

Rnd 17: 1 dec, 7 sc, 1 inc, 8 sc = 18 sts

Rnd 18: 1 dec, 6 sc, 1 inc, 7 sc, 1 dec = 17 sts

Rnd 19: 1 dec, 7 sc, 1 inc, 7 sc = 17 sts

Rnd 20: 1 dec, 6 sc, 1 inc, 6 sc, 1 dec = 16 sts

Rnd 21: 1 dec, 6 sc, 1 inc, 7 sc = 16 sts

Rnd 22: 1 dec, 5 sc, 1 inc, 6 sc, 1 dec = 15 sts

Rnd 23 for crocheting the limbs in: 1 dec, 3 sc, into the back loops: 2 sc, 1 inc, 2 sc; into both loops: 3 sc, 1 dec = 14 sts

Rnd 23 for using a cotter pin: 1 dec, 5 sc, 1 inc, 5 sc, 1 dec = 14 sts

Rnd 24: 1 dec, 4 sc, 1 inc (place a marker for cotter pin between the sts of the inc if you plan to use it), 5 sc, 1 dec = 13 sts

Rnd 25: 1 dec, 4 sc, 1 inc, 4 sc, 1 dec = 12 sts

Rnd 26 for crocheting the limbs in: 1 dec, 2 sc, into the back loops: 4 sc; into both loops: 2 sc, 1 dec = 10 sts

Rnd 26 for using a cotter pin: 1 dec, 8 sc, 1 dec = 10 sts

Add the prepared cotter pin (see *Cotter pin joint* section) at the marked spot and stuff the remaining part of the arm.

Rnd 27: 5 dec = 5 sts

Fasten off, leaving a tail. Close up the opening. Weave in loose ends for both variants.
