

Be the key. Become a sponsor.

As a leader in the community, you understand the value of improving the world around you. By becoming a sponsor of the 2018 CSF Casino Night, you are helping to fund research & programs, spread awareness and educate physicians and the public alike about Chiari malformation, syringomyelia & related disorders. Your gift also helps fund the CSF educational lecture series that provide information and support to patients, their families and the professionals who care for them. **Just \$30 educates a patient or caregiver and \$50 educates a medical professional. You have the power to educate them all.**

For more information about the event, please visit: csfinfo/vegas
