bios

Dr. Ian M. Heger is a board-certified pediatric neurosurgeon with a vast amount of experience in clinical practice and academia. Dr. Heger earned his doctor of medicine and served as a resident of neurosurgery at SUNY Downstate Medical Center in Brooklyn, NY. He completed his fellowship in pediatric neurosurgery at the Children's Hospital of Philadelphia at the University of Pennsylvania.

Dr. Sacco started Pediatric Neurosurgical specialists in 2015 after practicing pediatric neurosurgery in Texas and Arizona for 13 years. The practice started with the mission of combining technical expertise and a personal approach to provide an exceptional experience and excellent outcomes. That mission has been successful and has led to a thriving practice and a global patient population.

Dr. Hurd grew up in Plano, Texas where he then moved to Austin to complete a Bachelor of Arts degree in Biology. From there, Dr. Hurd then completed his Medical Degree at the University of Texas Medical Branch in Galveston, TX. He developed a desire to become a child neurologist while completing a pediatrics residency at the University of Alabama at Birmingham.
