PAYMENT OPTIONS

To lose someone you love is a devastating human experience. It's frequently traumatic and can seriously impact judgement. It is important to celebrate the life of someone important to us when that person has died, and to make the experience as meaningful as possible.

It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they are able, nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget.

Because funeral costs are often shared by different individuals and frequently divided between family members, financial arrangements must be resolved prior to the funeral service. In this way, the possibility for misunderstanding between family members is avoided.

Bunker's policy requires that all financial arrangements must be completed prior to any body preparation and the setting of any viewing times or services. Final payments are due 3 days prior to the first scheduled event.

OPTION A: Pre-Arranged Funeral Plan

*You may pay with a pre-arranged or pre-paid funeral arrangement.
If pre-arrangements have been made, please inform your Funeral Arranger.*

OPTION B: Cash or Credit Card

*You may pay the full amount at the time of funeral arrangements using
either cash, certified bank check or major credit card.
We do not accept personal or third party checks.*

OPTION C: Verifiable and Assignable Insurance

This option allows you to assign over all or a portion of insurance proceeds to pay for funeral expenditures. Policies, under two years old, are generally contestable, and are not acceptable. Bunker's Mortuary uses a third party company to verify insurance policies, they file all paperwork, and pay the funeral bill from the insurance policy. The third party company charges a fee for their services.

(We do not accept future payment from "Estate Funds".)

Disclaimer of Warranties

Our Mortuary makes no representation of warranties regarding caskets, outer burial containers, urns, or other funeral goods sold by the Funeral Home. The only warranties granted, express or implies, in connection with the goods sold with this funeral service are the express written warranties, if any, extended by the manufacturers thereof. No other warranties, express or implied, including implied warranties of merchantability or fitness for a particular purpose, are extended by the Mortuary.

ITEMIZED SELECTIONS

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.
