Date of Death: \_\_\_\_\_ Date of Funeral and/or Final Disposition of Body: \_\_\_\_\_

The Federal Trade Commission Trade Regulation Rule for "Funeral Industry Practices" requires certain disclosures and prohibits misrepresentations. This Acknowledgment of Disclosures/Disclaimer form is a check list we asked those we serve to read and sign during the arrangements for the funeral of (the "Deceased") our funeral firm did or did not do the following:

I/We who made the arrangements for the funeral and final disposition of the remains of the Deceased, do hereby attest to the following:

- 1. I/We were given a General Price List effective on 10/22/2018 prior to discussing prices, services or merchandise.
2. I/We were shown (or given where required by state law) a Casket Price List effective on 10/22/2018 prior to discussing prices or caskets.
3. I/We were shown (or given where required by state law) an Outer Burial Container Price List effective on 10/22/2018 prior to discussing prices or outer burial.
4. I/We were not told that embalming is required by state law (except for certain special cases) and were told that the law does not require embalming except in certain special cases, if embalming was provided, it was done with my/our approval.
5. I/We were not told that any law requires embalming for direct cremations, immediate burial, a funeral using a sealed casket, or if refrigeration is available, the funeral is without viewing or visitation and with a closed casket.
6. I/We were not told that any law requires a casket for direct cremation or that a casket (other than an unfinished wood box) is required for direct cremation.
7. I/We were told that state law does not require the purchase of an outer burial container or any of the funeral goods or services I/we selected except as set forth on the Statement of Funeral Goods and Services Selected.
8. No claims were made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term or indefinite time, or that any such merchandise would protect the body from gravesite substance if such was not the case. No representatives or warranties were made to us about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral service we arranged were the expressed written warranties, if any, extended by the manufacturers of such goods. No other warranties were extended to us.
9. I/We were not told that the amount of each of the cash advance items was the cost to funeral firm except where such was the case. I/We were told that the funeral firm's cost may be different based on volume or cash discounts or other professional/trade customs where permitted by state or local law.
