*I/We who made the arrangements for the funeral and final disposition of the remains of the Deceased, do hereby attest to the following:*

8. I/We acknowledge that no claims were made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term or indefinite time, or that any such merchandise would protect the body from gravesite substance if such was not the case. No representations or warranties were made to us about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral service we arranged were the expressed written warranties, if any, extended by the manufacturers of such goods. No other warranties were extended to us.
9. I/We were not told that the amount of each of the cash advance items was the cost to funeral firm except where such was the case. I/We were told that the funeral firm's cost may be different based on volume or cash discounts or other professional/trade customs where permitted by state or local law.
