OBITUARY

Yvonne Joyce Lewis was born on July 15, 1948, in Seattle Washington to the loving parents Emit and Mima Lewis. Yvonne met Freddy when she was in the 8th grade. Freddy then met her again while he was at college In 1967, they married and to that union a few years later a son, Marlon was born.

Yvonne's work profession was in social services as an eligibility Technician for both Alameda and Contra Costa County. Sister Yvonne joined St. John Missionary Baptist church in the early 70's, then became a Deaconess when her husband was ordained to the Deacon ministry. She was very faithful in her Sunday school class and assisted in the prison ministry. Yvonne, for over 25 years served on the Blue World Travel cruise church service and bible studies.

Yvonne has been a faithful wife and mother, and grandmother. She has helped me in my engineering work even when I didn't stay retired.

The transition from a full and active life to the shirt-falls of Parkinson disease in the last two years has been difficult. Though sick and in pain she still had Joy for the Lord. The Lord called up her to rest June 11, 2022, while resting in her home.

Yvonne is survived by her husband Frederick Brown, one son, Marlon, one sister Curtistine Clardy, one brother, Oscar Lewis, grandson, Caleb Brown, niece, Yolanda Smith, nephew Barry Willis, Cousins Maxine Brooks, Rigina Bixby, sport personalities Willie McGee, Albert Belle. She also leaves friend Ruth Thorpe and God daughter Krystal Ricks. And many other relatives in Seattle and California. Yvonne was preceded in death by two sisters Betty Willis and Lorene Lewis.
