

Why Attend?

As the recognized international authority on tall buildings, CTBUH conferences offer a wide variety of benefits to attendees:

- Learn from distinguished experts on the latest in tall buildings, infrastructure and urban development
- Gain knowledge and insight in the latest thinking on sustainability and sustainable vertical urbanism
 - Featured programs and workshops include: modern MEP, Wind Engineering and energy-efficient façades and envelopes.
- Network with top, internationally-influential people in the industry
 - 1,000+ Delegates are expected from 45+ Countries
- Develop collaborative partnerships and business leads
 - Gain company recognition through face-to-face interaction with business leaders
- Earn Continuing Professional Education Credits
 - Registered professionals could expect to accumulate up to 30 hours of CES/CPDs credits during the entire six-day CTBUH 10th World Congress (including AIA Health, Safety & Welfare credits).
- Better understand the business opportunities in the U.S. & Internationally
 - Key industry vendors will be showcasing their latest products, projects and processes, providing insight into the issues and technology most important to current and future clients.
- Influence best-practice thinking and policy making
 - Take advantage of the ability to take part in seminal discussions that will shape how the tall building industry approaches important criteria, policies, standards and approaches to development, construction and demolition.
- Experience the dynamic city of Chicago
 - Home to the first skyscraper
 - 125 completed buildings over 150 meters
 - International Transportation hub and major link to the entire United States
- Tour seminal tall buildings and urban spaces (completed and under construction)
 - Get inspired by the techniques in place at the year's most exciting projects and share them with colleagues at your headquarters.
- Connect with CTBUH Chapter leaders and experts in proximal cities with lots of industry activity during the regional off-site programs
- Enjoy social-networking events at top venues
