

Varitrex Prof folding ladder

✓ Professional use

- For intensive, professional use
- Stable due to bended beams
- Multifunctional: various positions
- Dirt-resistant due to anodisation

Varitrex Prof. Multifunctional folding ladder for the professional

The Varitrex Prof is a versatile folding ladder. Multifunctional due to 6 hinges. Use it in the A-position, ladder position, platform position or wall position. Whatever position you use; with the Varitrex Prof, you can tackle any professional task.

Thanks to the bended beams and anti-slip feet, you are always safe and stable. The unique 3-PIN autolocking® hinge system locks the folding ladder into any position. Guaranteed safety! The top quality black coating is attractive as well as dirt-resistant.

Smart hinge system

Having gone through 12,000 cycles, the 3-PIN autolocking® hinging system has been thoroughly tested. Optimum safety and reliability.

Multifunctional and versatile

The Varitrex Prof can easily be changed to another position: A-position, ladder position, platform position or wall position.

Stable and secure

Bended beams and anti-slip feet provide guaranteed stability and security. No matter which position you use.

Multiple positions, different heights

Position the folding ladder in the desired position so that you can reach the height you need to complete your job.
