These colours are meant as a guide only.

Whilst every effort has been made to match these colours as closely as possible to RAL colours, the actual colours printed will depend on the printer and the printing ink used and may be significantly different from that shown on the monitor. In addition, the colours of paints from different suppliers can vary - even for RAL colours and change over time. E-paint.co.uk cannot be held responsible in any way for any variance between these colours and those they are intended to match.
