The screenshot shows the Credo Mind Map interface. At the top, there is a search bar with the text 'Post-Impressionism' and a 'Your Logo Here' placeholder. Below the search bar, a navigation bar shows 'Browse' and other icons. The main content area displays a mind map with 'Post-Impressionism' at the center. The map branches out into two main categories: 'Impressionism' (with a close button 'x') and 'Neo-impressionism'. The 'Impressionism' branch includes artists like Claude Monet, Pierre-Auguste Renoir, and others. The 'Neo-impressionism' branch includes artists like Vincent van Gogh and Georges Seurat. To the right of the mind map, there are search results for '499 results related to Post-Impressionism', including snippets from 'The Thames & Hudson Encyclopaedia of Impressionism', 'Britannica Concise Encyclopedia', and 'The Hutchinson Unabridged Encyclopedia with Atlas and Weather Guide'.
