Subject: Call to Nominate - The 2016 Premier Partner Awards!

A Premier Partner nomination is a source of pride to the recipient and helps strengthen ongoing relationships and build loyalty.

Please take a few moments today to review the suppliers who deliver superior results in quality, value and customer service. If you feel they deserve the recognition and gratitude that a Premier Partner Award nomination expresses, please submit a nomination.

The Premier Partner Award program recognizes the achievements of suppliers who exceed expectations, resulting in meaningful contributions to the continued success of American Honda's business.

If you have not nominated before, consider speaking to a colleague who has participated in the program.

The deadline to submit a nomination is Friday, July 15th.
