New York, New York 10022

Dear Elie:

It meant so much to join you on stage at the Holocaust Memorial Museum's 20th anniversary ceremony last week. As always, your remarks were deeply inspiring.

You are one of our world's greatest treasures, and I am grateful for all that you do to help people around the globe choose the outstretched hand over the clenched fist.

My very best wishes to you and Marion until we meet again.

Sincerely,

A handwritten signature in dark ink, appearing to read "Bill Clinton", with a long horizontal flourish extending to the right.
