Dear Mr. Wiesel,

I would like to thank you and your collaborators again for the efficient and helpful way in which you have organized the Conference of Nobel Prize Laureates in Paris last week. I congratulate you on having taken the initiative to call this Conference. For the participants it was a unique opportunity to get to know and appreciate each other. I hope it may lead to some concrete realizations. If I can be of help in this regard, do not hesitate to call on me.

With best personal regards, also to Mrs. Wiesel,

Yours sincerely,

Christian de Duve
