

JIMMY CARTER

October 18, 2002

To Elie Wiesel

It is a great honor to be awarded the Nobel Peace Prize, and I am touched by your warm expression of congratulations. Rosalynn and I appreciate your support for The Carter Center's work to promote peace, health, and human rights around the world. In a very real sense, you share this tribute with us.

Sincerely,

Jimmy
ps It's good to follow
in your footsteps -
J
