

Sacramento Feby 18th 1864

I write dear Horace a few days
you should receive my greetings
chief birthday that I will not
long on their way. My last from
ember my wedding day! It was
life that we did not celebrate, that
thoughts were then engrossed by
dition, though even then we did
I with her so soon! - This winter
with us & I fear you have had it
you have not been prevented from taking
and is now in Virginia on a visit to
studies at the University. My dear
ing care of the girls & me, in
love to you, & Horace & says that
to let them know that he & his
George & are with us very often.
must know that her little grand-
is a great beauty, & very intelligent for
time but I hear of her constantly. Give
& Miriam send their warm love to you.
today my darling Aunt & pray that ere
hace you - My love to Horace & ever truly your
own Miriam's Cohen

My precious Aunt

Although since I feel so desirous that
& best wishes on your approach
delay writing as our letters are &
you was dated the 30th of Nov.
the first time in our married
anniversary for all our time &
our dear Cecilia's dangerous con-
not realize that we were to part
has been an unusually cold &
severe in proportion tho' I hope of
your usual exercise. My husband
our dear boy, who is pursuing his
brother is all important in taking
their absence. He sends much
when Horace writes to his family
three sons are well. John & G.
Will you please to let Mrs La
Daughter is in perfect health, &
her age. I have not seen her for some
my love to Lolly. & to Sara M. Well
I shall think of you on your Birth-
another I may be permitted to eme
