

Savannah May 9th 1846

1846
next Aunt, was forwarded to me
where my husband & I were called
son, we remained with him a
return home with us. His disease
not yet recovered his wonted strength
you had such a pleasant family
not unremembered by us, & whilst
around the family board, the fervent,
est heart that ere another year might
you. Tell dear Horace that his last
Doctor have been received in his absence
wife, was handed me yesterday, &
will make my dear brother on
er, as he wrote, as a few days after
with us about the 10th. He is delighted
ten from his son John, who is doing well.
cc's friend Mr. Dulick are dead? Do
he next writes. He saw the marriage
s sorry to hear of Dr. Ken's sickness. Hope-
ly & H. to save Mr. & her family I wish you
ling into man & womanhood. Miriam
with her Father. They all join with
you & dear Horace. When you write
constantly we think of them & believe
tudy your niece Miriam & Cohen

Your last precious letter my dear
at the University of Virginia,
by the illness of our darling
for a night until he was able to
was Typhoid Fever, & he has
I was very happy to hear, that
gathering on your birthday, it was
our circle thank to your health
with a prayer arose from my inner
have the happiness of embracing
three letters by Flag of Truce to this
the last inclosing a letter from his
I rejoice to think him happy in
his return, we expect him to marry
his son's wedding that he would be
with his new Daughter. We hear of
Is it true that Mary Ogden & Har-
ley Anne to let me know when
of Mary Elting in a newspaper. I wish
he has recovered. Give my love to Sara
could see my trio, they are fast climbing
is just now playing a game of cards &
not my husband in good love to
to dear Becky & Sara tell them how
me my precious Aunt most devoted
