

Sunday Aug. 15th

I wrote to you last week
My Dear Ben, and I fear
communicated my great
anxiety about our Brother Jos's
condition. Today I am
glad to tell you he is better -
he has gained some strength,
enjoys the pleasant change
in the weather, and looks
more cheerful. The air & water
of Saatchu always improves
his health - and those who
are he practices ~~off~~ not being
able to take exercise or
mix in society - he is ^{said} seen by
the company except at meal
times, and passes all his
evenings in his own chamber

My letters from home tell
me our dear sister is well
as are all those you are
interested in there.

The only Kentuckians here
that I knew, are a Mr Hatch
who says he was at Frankl-
-lin with your sons, and
his pretty wife, also from your
neighborhood (at Richmond)

I have been very much relieved
by the arrival of Dr Norris
who had been attending to
with Dr Hays before we left
home - and who knows better
how to treat him than the
strangers here - we have been
three weeks at Saratoga - I ex-
-pect will continue to the end
of the month, if it still agrees
with our brother.

My dear Mother
