My Dear Ann, If you
 love me, let me hear from
 you immediately - if you
 can measure my intense
 anxiety about my beloved
 Brother, you must pity
 me - My grief for our
 precious Larry's loss, is
 so aggravated by deep
 anxiety and heart piercing
 sympathy for my Brother
 that day after day the
 worst hour is watched and
 a sickening disappointment
 succeeds - and brings
 renewed fears lest

other evils are in
store for me - if you
cannot write, Dear
Miriam, or Anna will
surely send me a few
lines. are Bernard &
Thymer well - has some
pious hand, rescued
the remains of our
beloved victim from the
fatal field, to give it
more fitting resting place?

I pray for an answer
to my eager enquiries
and am, Dear Sister
Yours affectionally
R.G.
