

I was going to write
to your Mother, my
Dear Maman, but
the sweet kiss you
sent me in your dear
Father's letter gave me
so much pleasure, that
I wished to send you
something that would
be as agreeable to you
and send you the
Fairy-Book, out of which
I am sure you will

could much improvement
and amusement
My sweet little Anna
will not yet like such
long stories, but as
her favourite Miss
was loving sweet, I
send her Nobby-bears
to remind her, of her
dear Aunt - Brother
Bernard will let
you both know much
I delight to talk & think
of you both - and wish
to see you again -
