

Dear Mr. Webb

I have just received my Dearest Beckers Letter for which
my love I thank you, I was very anxious about our Sister and family
and fervently pray. they may long enjoy health my Darling E.R.
has been rather worse this day, than when you was in
but trust the prescriptions of Dr. Hark will be efficacious
if the weather will permit, and Judeah is better the carriage
shall be in quite, as soon as you will receive them, she has been quite
ill, ~~and~~ was ~~ill~~ and took medicine to day, which has confined her
to her ~~bed~~ bed the greater part of the day, I hope I shall not
be disappointed in seeing my loved Mother, Sisters and S. B. - If as
if their Valued society would ~~and~~ enliven us all, the Death of Mr. Grant
has depressed our spirits, Great God, how shocked ~~the~~ family, after
a few days absence, to hear of his Disolution, he died in Baltimore on Friday
last, his complaint is said to have been the gout, or Cramp in the stomach
My most affectionate Love, to my Parents, Sister, Brothers, & the Dear
Children are all well and you to sleep. Almightly God Protect, you all
write, by the return of Mr. N
give my love to Samy when you write
Prays your Sister and Friend
R. Hays
