

Frances Gratz to Rebecca Gratz

April 11 [before 1808]

April 11th.

I very much regret my belovd Beckys
Letter has this long remaind unanswerd _ for the
Last fortnight I have been extremely
indisposd with a toothach and gathering in
my face _ untill this day have not had it in
my power to write I have sufferd considerably and
am much debilitated _ am now far from pain
and hope soon to [recover the anxiety] of my mind
has been quit in the extrem ever since the
account of our dr. Rachels indisposition I [pray heaven]
my dear Richea Rachel and all my belovd family
are in full possesson of health which informa
[end of page]

tion tomorrows post I pray will confirm
my dutifull affection awaits my belovd parents
hope they enjoy good health to all my
dear sisters and Brothers tender an abundant
share of Love [and accept] that of my Etting
and children do not be uneasy about
me I am this day perfectly well excuse
this schroll may you be forever BhG
and happy your [attached?] F. Etting

the Box you mintion is not yet
receivd
