Summary

What type of JavaScript do you write?

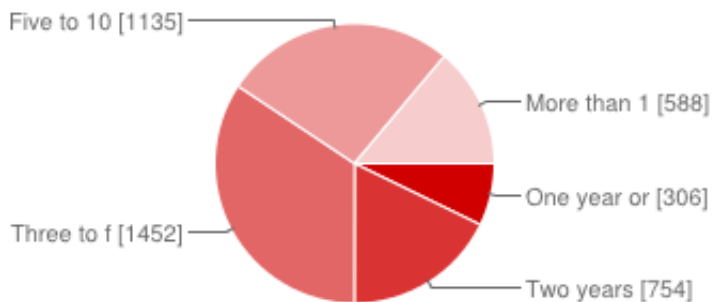

Browser	4149	97%
Server	2411	56%
Native (Windows 8, Appcelerator)	154	4%
Hybrid Apps (Cordova/PhoneGap)	790	18%
Mobile	718	17%
Other	92	2%

Where do you use JavaScript?

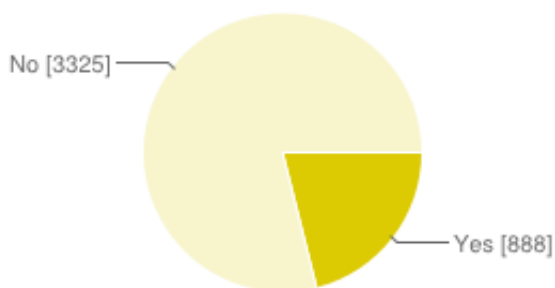

At work	4044	94%
Side projects	3364	79%
Other	59	1%

How long have you been writing JavaScript?

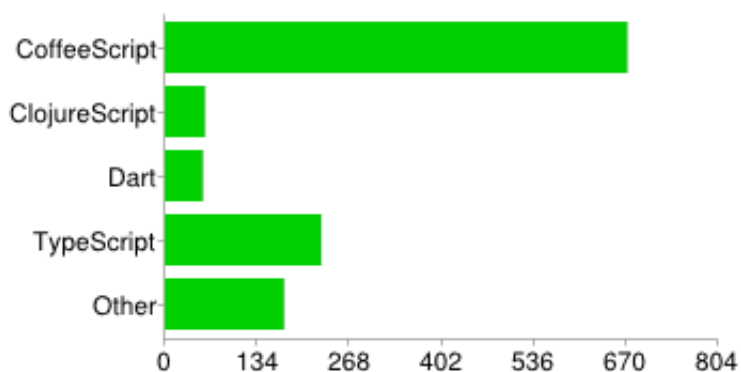

One year or less	306	7%
Two years	754	18%
Three to five years	1452	34%
Five to 10 years	1135	27%
More than 10 years	588	14%

Do you use a language that compiles to JavaScript?

Yes	888	21%
No	3325	78%

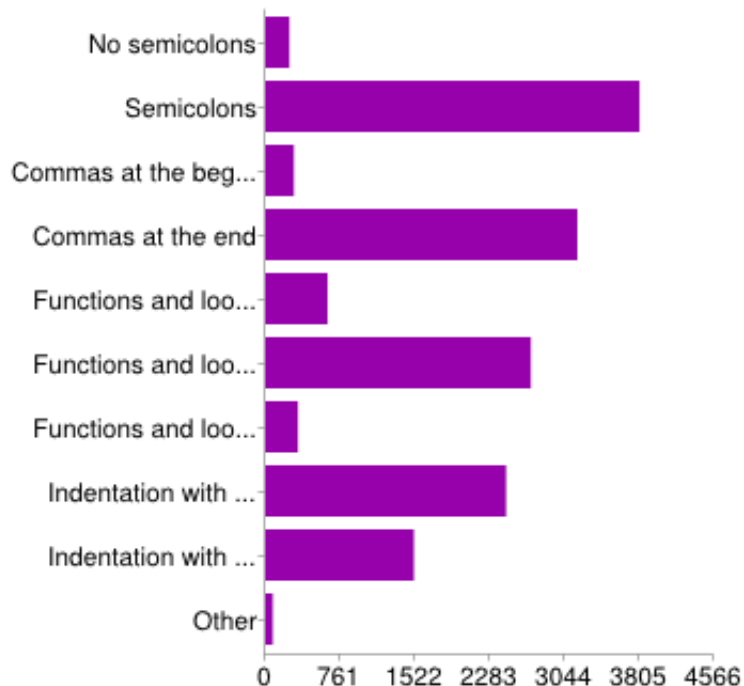

Which compile-to-JavaScript languages do you use, if any?

CoffeeScript	672	16%
ClojureScript	58	1%
Dart	55	1%
TypeScript	227	5%

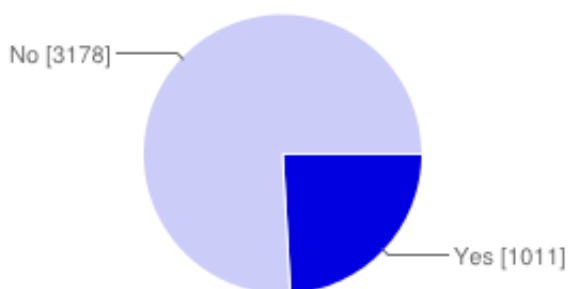

Other **173** 4%

What JavaScript stylistic choices do you prefer?

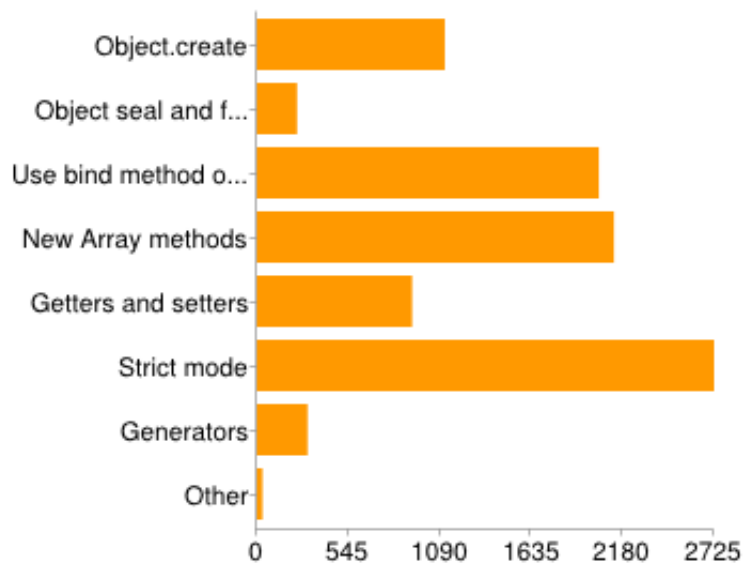

No semicolons	243	6%
Semicolons	3807	89%
Commas at the beginning	289	7%
Commas at the end	3174	74%
Functions and loops with no spaces	632	15%
Functions and loops with one space	2701	63%
Functions and loops with two spaces	330	8%
Indentation with spaces	2449	57%
Indentation with tabs	1511	35%
Other	74	2%

ES6: Are you using ES6 features in your code right now?

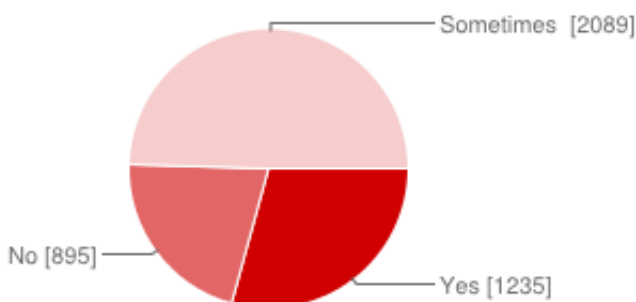

Yes **1011** 24%
 No **3178** 74%

Which EcmaScript 5 features do you use?

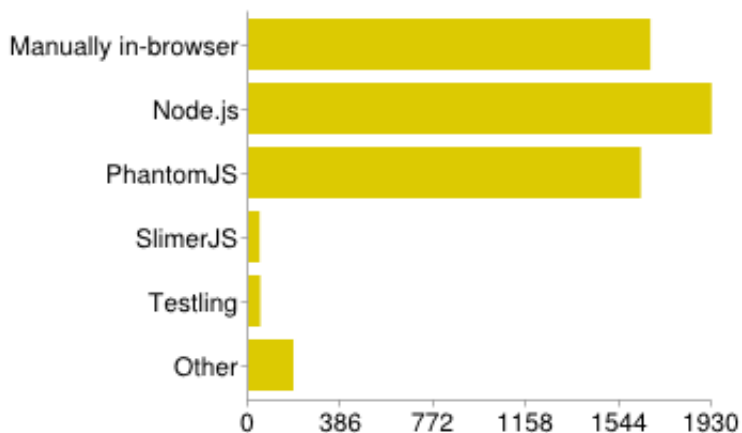

Object.create	1120	26%
Object seal and freeze methods	239	6%
Use bind method on functions	2038	48%
New Array methods	2128	50%
Getters and setters	925	22%
Strict mode	2725	64%
Generators	302	7%
Other	33	1%

Do you write tests?

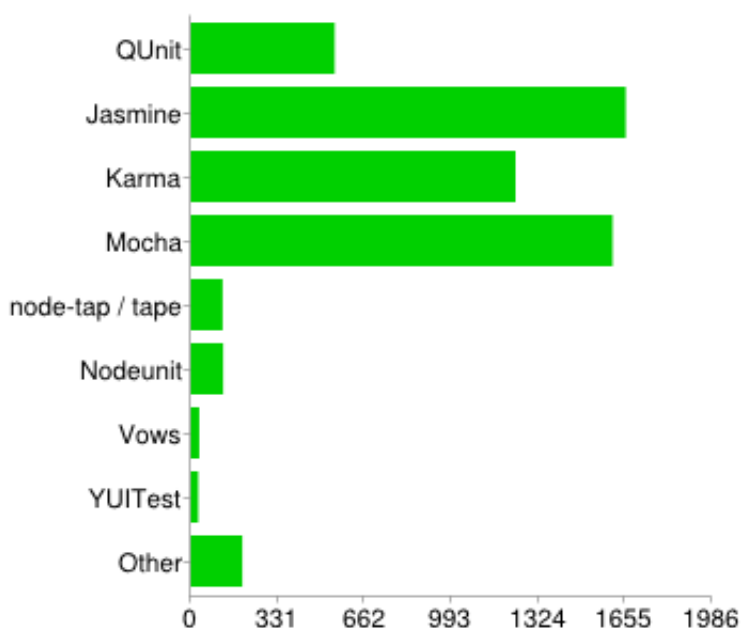

Yes	1235	29%
No	895	21%
Sometimes / Not enough / Not too much / When needed	2089	49%

Unit Testing: What environment do you run unit tests in?

Manually in-browser	1673	39%
Node.js	1928	45%
PhantomJS	1633	38%
SlimerJS	46	1%
Testling	49	1%
Other	187	4%

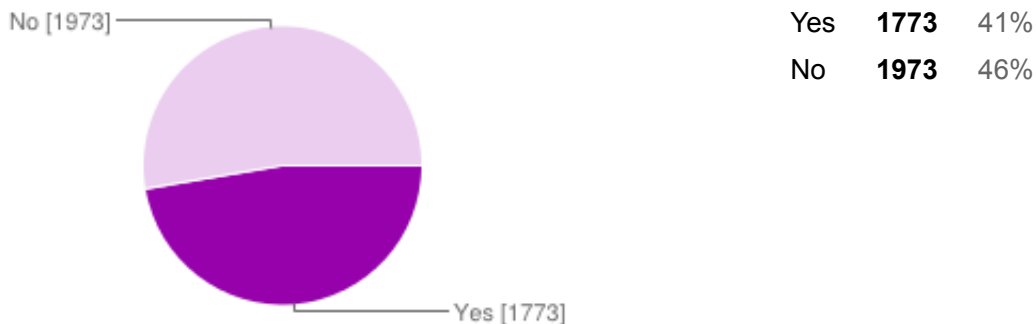

Unit Testing: What unit testing libraries do you use?

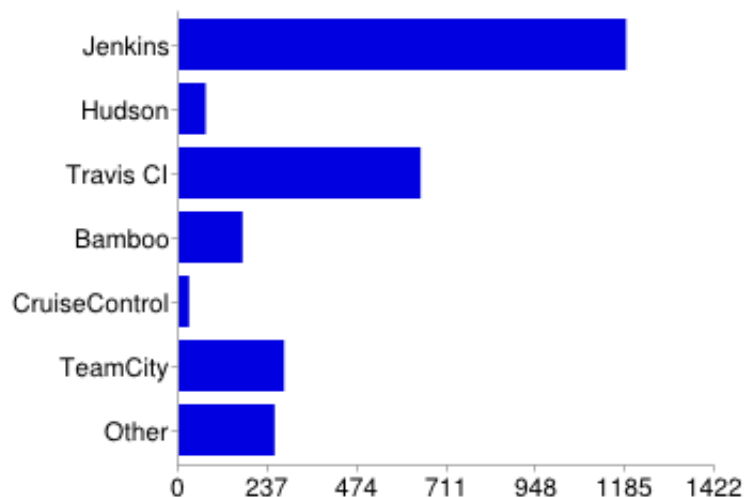

QUnit	548	13%
Jasmine	1657	39%
Karma	1237	29%
Mocha	1607	38%
node-tap / tape	121	3%
Nodeunit	123	3%

Vows	32	1%
YUITest	28	1%
Other	196	5%

Unit Testing: Do you run tests on a Continuous Integration system?

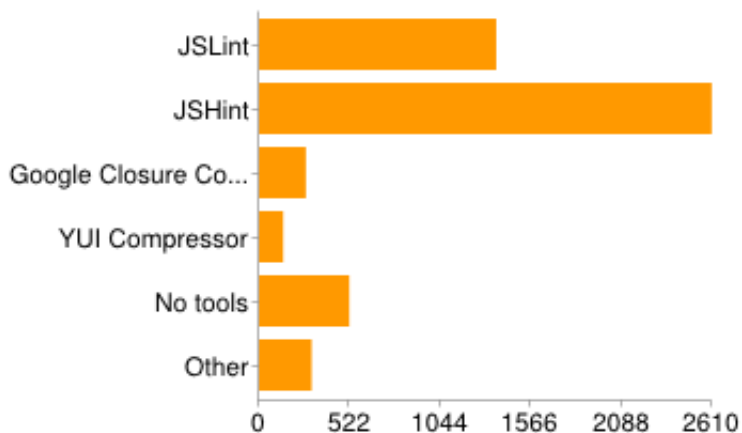

Unit Testing: Which Continuous Integration system do you use?

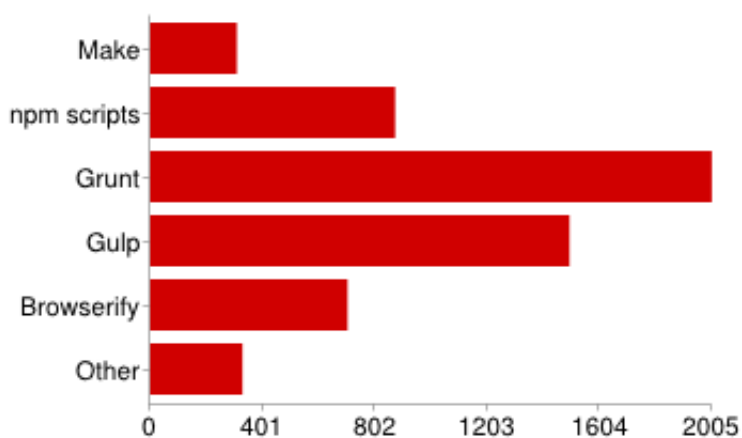

Jenkins	1186	28%
Hudson	71	2%
Travis CI	641	15%
Bamboo	169	4%
CruiseControl	27	1%
TeamCity	279	7%
Other	254	6%

Static Analysis: Do you use any tools for verifying code quality?

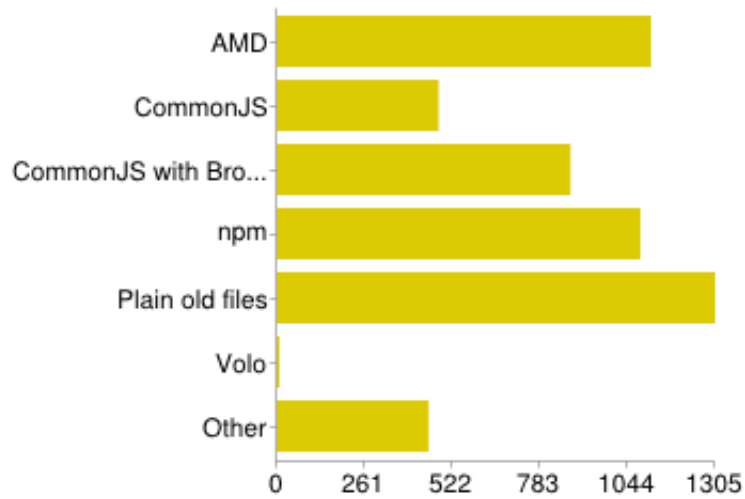

JSLint	1366	32%
JSHint	2608	61%
Google Closure Compiler	269	6%
YUI Compressor	138	3%
No tools	519	12%
Other	302	7%

What's your preferred build script solution?

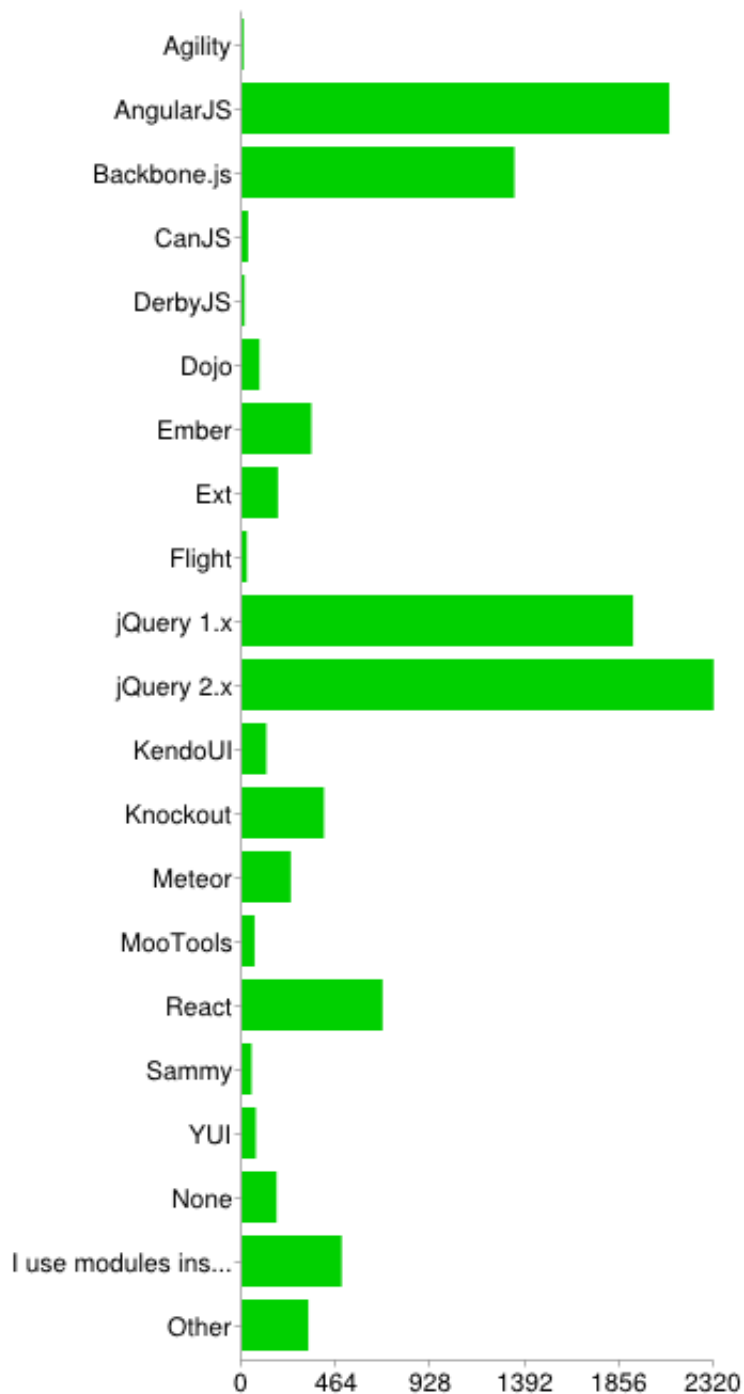

Make	309	7%
npm scripts	874	20%
Grunt	2004	47%
Gulp	1496	35%
Browserify	704	16%
Other	329	8%

How do you handle client-side dependencies?

AMD	1114	26%
CommonJS	481	11%
CommonJS with Browserify	874	20%
npm	1082	25%
Plain old files	1305	30%
Volo	7	0%
Other	451	11%

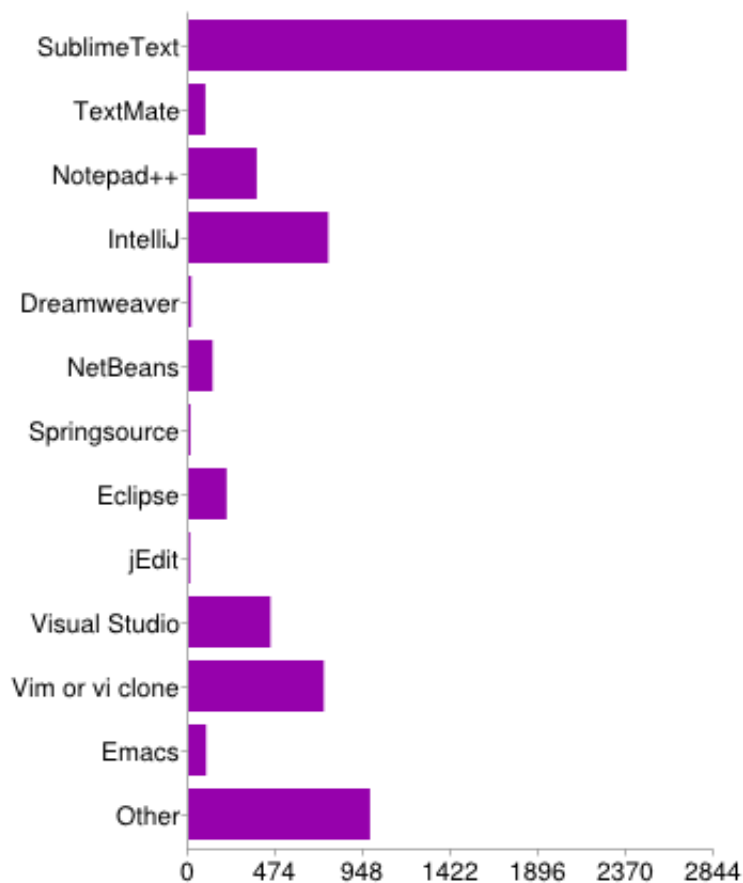

Front-End Frameworks: What frameworks do you use?

Agility	8	0%
AngularJS	2100	49%
Backbone.js	1339	31%
CanJS	30	1%
DerbyJS	13	0%
Dojo	86	2%
Ember	341	8%
Ext	177	4%
Flight	24	1%
jQuery 1.x	1922	45%

jQuery 2.x	2318	54%
KendoUI	120	3%
Knockout	403	9%
Meteor	240	6%
MooTools	62	1%
React	691	16%
Sammy	47	1%
YUI	68	2%
None	170	4%
I use modules instead of frameworks	490	11%
Other	326	8%

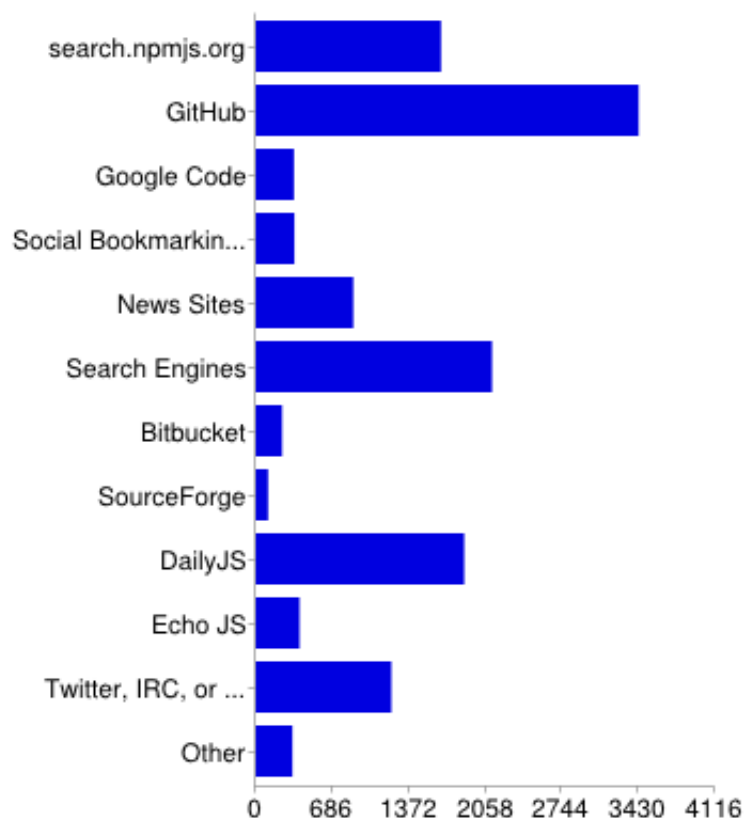

Project Development: What is your IDE or Editor of choice for JavaScript projects?

SublimeText	2372	55%
TextMate	91	2%
Notepad++	369	9%
IntelliJ	756	18%
Dreamweaver	15	0%
NetBeans	130	3%

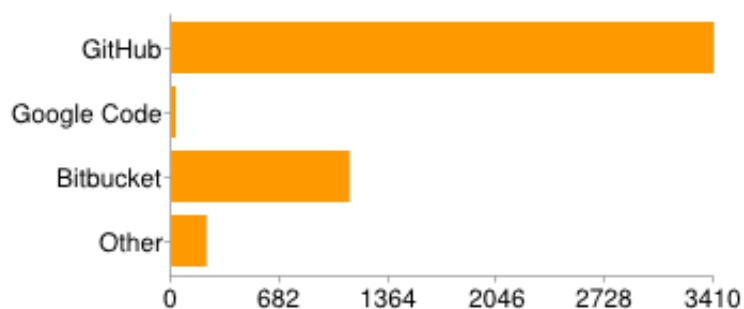

Springsource	10	0%
Eclipse	206	5%
jEdit	8	0%
Visual Studio	443	10%
Vim or vi clone	732	17%
Emacs	95	2%
Other	982	23%

Project Discovery: How do you find reusable code, libraries and tools?

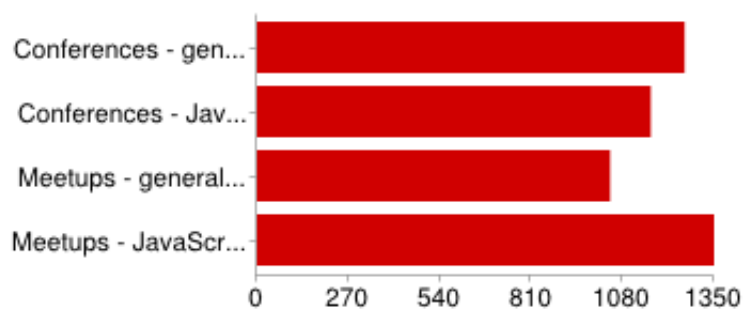

search.npmjs.org	1660	39%
GitHub	3431	80%
Google Code	342	8%
Social Bookmarking Sites	346	8%
News Sites	874	20%
Search Engines	2117	49%
Bitbucket	236	6%
SourceForge	110	3%
DailyJS	1868	44%
Echo JS	392	9%
Twitter, IRC, or asking friends	1215	28%
Other	328	8%

Project Hosting: Preferred hosting for your own JavaScript projects

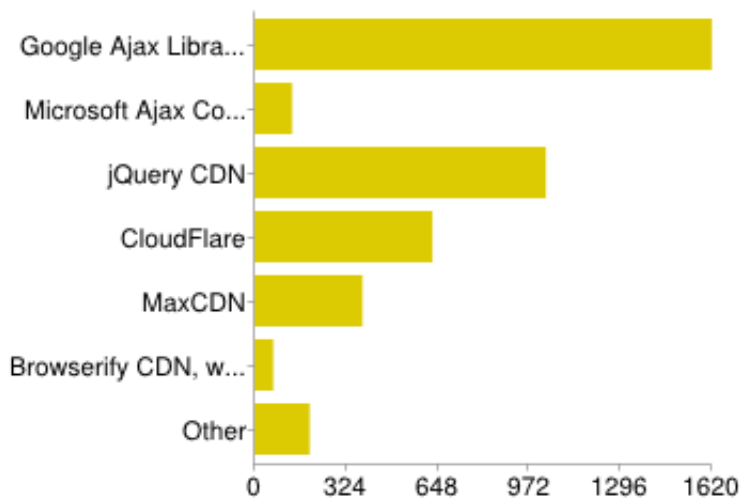

GitHub	3409	80%
Google Code	27	1%
Bitbucket	1121	26%
Other	222	5%

Community: How do you learn about JavaScript offline?

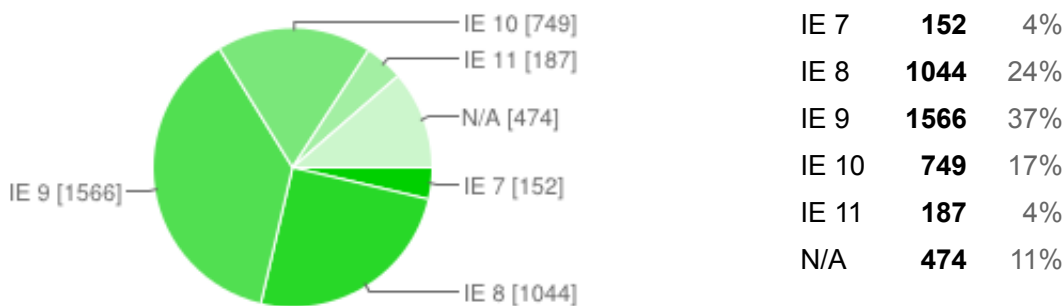

Conferences - general web development	1263	30%
Conferences - JavaScript specific	1163	27%
Meetups - general web development	1043	24%
Meetups - JavaScript specific	1350	32%

CDN: Which service do you use to serve third-party libraries?

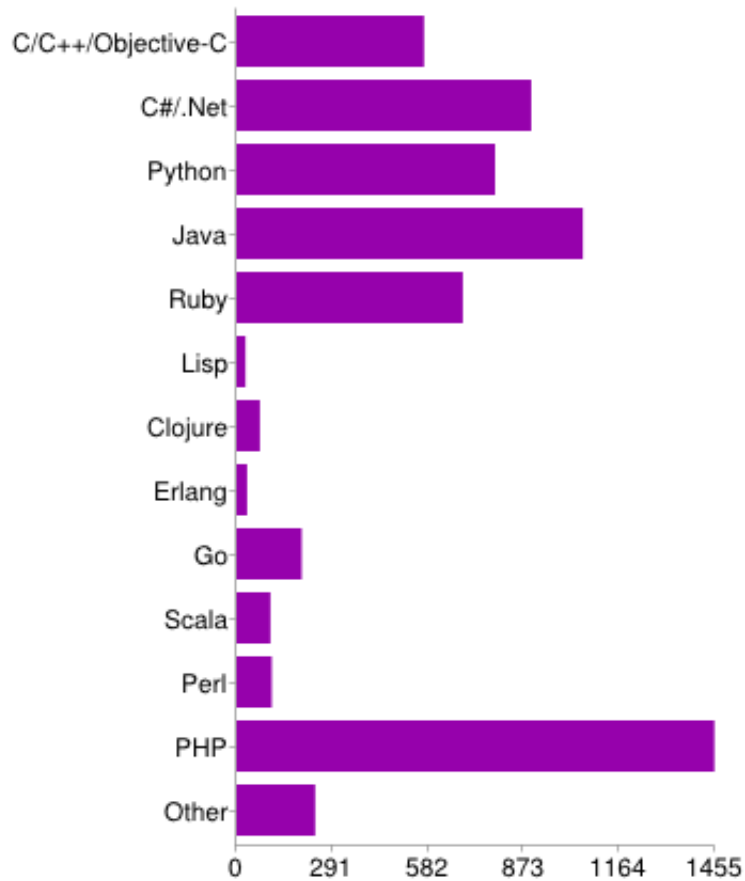

Google Ajax Libraries	1619	38%
Microsoft Ajax Content Delivery Network	132	3%
jQuery CDN	1031	24%
CloudFlare	629	15%
MaxCDN	381	9%
Browserify CDN, w...	65	2%
Other	194	5%

IE: What's the minimum version of Internet Explorer you target?

Other than JavaScript, what are your primary development languages?

C/C++/Objective-C	570	13%
C#/.Net	896	21%
Python	786	18%
Java	1053	25%
Ruby	688	16%
Lisp	27	1%
Clojure	71	2%
Erlang	32	1%
Go	198	5%
Scala	103	2%
Perl	107	2%
PHP	1453	34%
Other	239	6%
