

Stand Out from Your Competition by Having a Turnkey Integration with DailyPay

Through an integration with DailyPay, you can address your clients' biggest challenges—retention and recruitment. Through our turnkey integration, you can offer your clients a simple, streamlined, all-in-one solution for enabling instant payments that is proven to reduce turnover.

Solve your clients' biggest problems

Now you can do more than ever by helping your clients reduce turnover and attract talent. On average, our partners experience a 41% reduction in turnover for DailyPay users and 1.9x more applicants.

Grow your client base

Get access to hundreds of thousands of employees across innovative employers while boosting loyalty to your brand.

Be the vendor of choice

Daily payments are quickly evolving into an industry standard. Stand out and build loyalty by bringing unprecedented value to your clients ahead of your competitors.

Provide an effortless client experience

Create a seamless integration and effortless experience for your clients by connecting to DailyPay's sophisticated API.

“Daily pay has helped me reduce debt on several credit cards and past due bills!”

Karenja from Columbia, MD

Partner with the company that can support your goals now and into the future

As the pioneer of the daily payments industry, DailyPay provides the tools and expertise you need to realize immediate value. DailyPay offers your company a scalable, burden-free solution to daily payments that keeps pace with the evolution of your organization.
