#### TIPS FOR TIPPING

Tipping is a personal choice, but you should know that most people who work in tourism here depend on tips as part of their income. While it’s not expected; it’s definitely very much appreciated.

The amount you tip is based on the length of your tour as well as the service of your guides. For a short , half-day or less tour \$3-\$5/person is sufficient. For a longer or full-day tour \$7-\$10/person would be ap-propriate.

#### \*ADVENTURE CONNECTION TOURS

Tour pricing depends on number of people in your party and the type of tour you choose. Ask your travel consultant for more details.
