About Danny & Ron's Rescue

Equestrians Ron Danta and Danny Robertshaw never set out to run a dog rescue, but after Hurricane Katrina, they saw the devastation and felt compelled to save the dogs who were left homeless by the storm.

Since then, Danny & Ron's Rescue has rescued 14,000 abused and neglected shelter dogs who were on the euthanasia list. Many have been rescued from dogfighting rings, puppy mills. Danny and Ron have freed animals chained to trees and who were living in small cages, and they have saved abandoned pets living on the streets.

What is unique is that the dogs live in Danny & Ron's home which has come to be known as "the Doghouse." Because an abused or neglected dog can only recover and learn to trust again when s/he is in a loving home, Danny and Ron have turned their own house into the ultimate safe-haven. There, they personally care for injured and abused animals until they are ready for adoption.

Each dog receives a wellness check from our veterinarian, is then spayed/neutered, vaccinated, microchipped, dewormed, groomed, and loved. But most important, each dog is treated like part of the family, fed organic dog food from its own bowl, and even allowed to sleep in the bed. The opportunity to live

with humans and other dogs in a real home environment is the best way to prepare a dog for adoption and a life with a loving family. Adopted Danny & Ron's Rescue dogs can be found throughout the United States, Canada, Great Britain, and Europe.

Areas of Support

Elderly, Disabled, & Veterans Program

Through the Rescue's **Elderly, Disabled, & Veterans Program**, they partner with a local **Meals on Wheels ANIMEALS** program to provide food and medical care for the pets of homebound seniors who are living in poverty, and they provide support to Veterans who need assistance with pet food and medical care so they can keep their dog.

Community Outreach, Mom's Fund, Oreo's Grace Fund

Danny & Ron's Rescue also cares for dogs facing critical life-threatening conditions through its **Mom's Fund**. The Rescue saves dogs who have the potential to recover, giving them a chance to live and enjoy a good life; assures that these dogs receive appropriate surgical and medical treatment, and then brings them into The Doghouse to recover in a loving, caring environment. While Mom's Fund cares for the dogs coming to live at the Doghouse, the **Community Outreach Program** and **Oreo's Grace Fund** help the pets of those who reach out to the Rescue because they cannot provide for the urgent and critical veterinary care their pets need.

Disaster Relief Program

Disaster Relief Program enables Danny & Ron's Rescue to become the boots on the ground with supplies to help the local rescue efforts during a natural disaster. The Rescue always returns from the disaster areas with a bus full of dogs that find love, care, and refuge at the Doghouse while waiting for adoption.

Life in the Doghouse

Their award-winning documentary *Life in the Doghouse*, which premiered in 2018, has made them recognized worldwide.
